BITS and PIECES

ASSHOLE OF THE MONTH

Just in time for the holidays, Jesse Helms is HUSTLER's three-term Asshole of the Month.

In January of 1998, if he's not dead by then, Jesse Helms will have been representing the state of North Carolina in the United States Senate for one-quarter of a century. On October 18, provided Senator Helms lives that long, he will be 76 years old. Nearly four years remain on his term, if he can survive them.

Jesse Helms has endured heart-bypass surgery. His back is a problem, and he has suffered a hernia. He's had cancer up his ass. He's tottering on the brink of the grave. If Helms does not tumble before this issue goes to press, it is because he is too evil to die like a human.

Aside from his proximity to the Angel of Death, Senator Helms is known for his sense of humor.

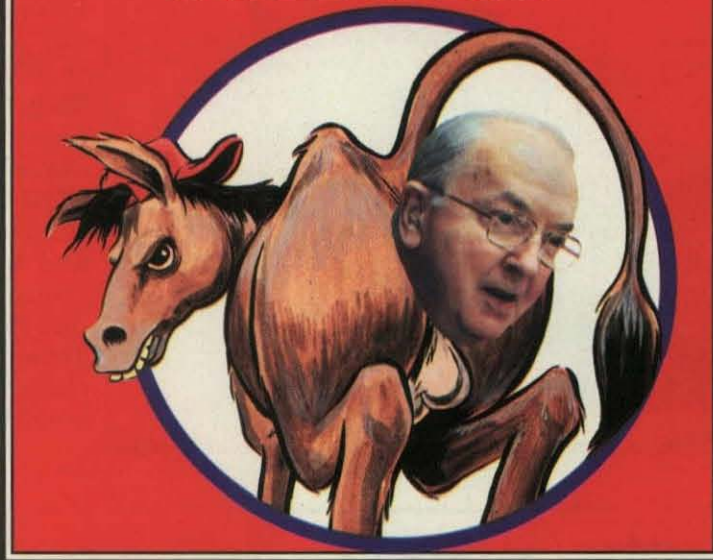

Using what could easily have been his last breath in 1994, the Senator jokingly insinuated that his home state would deal Bill Clinton grievous bodily harm if the President dared to visit.

Another typical Helms knee-slapper was a 1992 campaign mailing that threatened black voters with jail if they went to the polls.

Presented with evidence that Roberto D'Aubuisson, a Salvadorean politico favored by Helms, was in command of death squads that murdered civilians and had plotted to assassinate a U.S. ambassador, Helms quipped: "All I know is that D'Aubuisson is a free-enterprise man and deeply religious."

Helms's chairmanship of the Senate Foreign Relations Committee

JESSE HELMS

is a practical joke against world policy. The funny, half-dead Senator recently obstructed confirmation hearings for former Massachusetts Governor William F. Weld.

Weld, nominated as Ambassador to Mexico, knows Mexico, speaks Spanish and has law-enforcement experience as a federal prosecutor and Justice Department official, a background suited to helping Mexico battle its twin plagues of corruption and narcotics trafficking.

Helms snipped that Weld "isn't ambassador quality." The former governor favors legal medicinal marijuana and supports abortion rights.

"I'm just doing what I think is right for the country, regardless of personalities," said Helms, at the

risk of croaking with laughter.

Insiders believe that Helms is miffed at comments Weld made about him last year, a resentment that Helms will carry to his grave.

Jesse Helms can't take a joke. In January of 1984, HUSTLER ran an advertisement for Jesse Helms's Congressional Phone Sex, helpfully including Helms's home phone number. Unamused, Helms introduced the "Cable-Porn and Dial-A-Porn Control Act (S. 1090)," a bill that, if passed, would have prohibited "completely, with no exceptions" the operation of phone-sex services.

Helms testified that pornography was opposed by "the overwhelming majority of Americans," who are "concerned about what used to be

called human decency," and also by "the wives abandoned by oversexed husbands."

What a man who will see his next boner on his deathbed knows about oversexed husbands is as much a mystery as is Jesse Helms's conception of "what used to be called human decency."

According to a co-worker, in 1950 Jesse Helms aided the Senate bid of Willis Smith by doctoring a photo of the incumbent's wife so that she appeared to be dancing with a black man. That example of "what used to be called human decency" solidified the white voters of North Carolina in a way that Jesse Helms will never live to see again.

In 1991 and '93, the Jesse Helms Foundation took in \$325,000 from the governments of Taiwan and Kuwait, money they are forbidden to give Helms directly. "As long as it's lawful, what's wrong with it?" said Helms. Translation: Helms couldn't give a hard, dry shit about "what used to be called human decency."

Helms claims God as one of his constituents. "The only thing I know I'm running for is the kingdom of heaven," says the rabidly pro-life goner who has consistently opposed federal funds to fight AIDS.

Jesse Helms is big tobacco's highest-placed errand boy. Tobacco has been termed "the single most preventable cause of death" by the Surgeon General.

When Jesse Helms arrives at the gates of heaven, soon, he'll meet countless victims of lung cancer and AIDS. They'll tell him where in hell to take his Asshole.

Christian Slater: How many of us, after beating our girlfriend, biting the stomach of a man who comes to her aid and then fighting the police who were summoned to quell our disturbance, even attempting to snatch the firearm of one officer, would have the option of saying that we had been doing cocaine, shooting heroin and drinking for weeks and offer those

Farts in the Wind

admissions as justification for our behavior, despite past convictions for assault on an officer and impersonation of Jack Nicholson? Christian Slater has checked into rehab; the best he can hope to come out is a dry Asshole.

Bill Gates: With an infusion of Microsoft cash into ailing rival Apple computers, über-nerd Bill

Gates lurches one step closer to becoming the Dark Overlord of Cyberworld. Gates's deal with Apple increases his control over access to the Internet and seems to further America's richest man's bid to create an information monopoly. Gates is the center of a federal antitrust investigation, the crinkled brown shitty center.

It Came From Inner Space

1997: The Pathfinder Mission. NASA sends a glorified Polaroid camera to Mars and sends taxpayers a bill for nearly \$200 million.

1990: *Beaver Hunt*, a/k/a The Ass-finder Mission. A Lone Star-state native named Sissy uses a Polaroid camera to photograph her cavernous snatch. The result—HUSTLER christens Sissy the Texas Tunnel. Readers around the globe wonder, *What's inside that gigantic pussy?*

TODAY: HUSTLER purchases the Pathfinder at a used-car lot and sends the robot vehicle to boldly go where only the boldest men have gone before—inside the Texas Tunnel. The results—one class ring, one wristwatch, brass knuckles and a set of car keys.

PARODY. NOT TO BE TAKEN SERIOUSLY. NASA'S \$200-MILLION TOY STRIPPED ONTO OUR MODEL PUSSY. AS FOR WHAT'S INSIDE THE TEXAS TUNNEL, ONLY HER GYNCOLOGIST KNOWS FOR SURE.

"MOST TASTELESS CARTOON"

PORN From the PAST

Is this a rare snapshot of the long extinct, cross-eyed hermit crab? No, it's just some ancient ass from the days before corrective lenses.

HUSTLER bends over backward for contributor S. King, who receives \$150. Send photos of vintage vage to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.

Commemorating 20 Years of Doggy-Style

This year, the Postal Service has plastered stamps with every sticky celebrity from Marilyn Monroe to Bugs Bunny. Why not immortalize a dumb bunny who truly sucked, Linda Lovelace? Before Linda became a famous pork-sword swallower in the cocksucking classic *Deep Throat*, she spent some time in the doghouse. Linda filmed *Dog Fucker* when she was just a pup. Today, Lovelace has renounced her pornographic past to become Gloria Steinem's bitch.

HUSTLER'S 1997 Beaver Hunt
GRAND PRIZE WINNER

Another year of Beavers has come and come again, and fur sure flies when they're having fun. HUSTLER readers can catch one of these lovely creatures by the tail! Your votes will determine which Grand Prize Finalist will be awarded \$5,000 and flown to Beverly Hills, California, for an extended photo layout. Fill in your favorite Beaver's box below!

Sissy ☐

(Grand Prize Finalist #1, *Beautiful Bouquet*, March 1997)

A tight-bodied, tender 20-year-old, Sissy leads this year's pack of bodacious blondes. The Sanford, North Carolina, native's penetrating pictorial had readers screaming, "Two thumbs up!" Wouldn't you love to give Sissy the finger?

Missy ☐

(Grand Prize Finalist #2, *Too Good to Wait*, June 1997)

No earthquake ever rocked San Diego, California, as hard as this hometown girl's pictorial. With her doe-eyed charms and doughy chest, Missy is an all-natural angel. She dreams of being gang-banged; maybe \$5,000 can help the little girl's wish come true.

Michelle ☐

(Grand Prize Finalist #3, *All Good Things...*, November 1997)

Things would be a lot less steamy in Gretna, Louisiana, if Michelle left to become a Beverly Hills Beaver. At only 22 years of age, Michelle sports sultry eyes that are oh-so-knowing—about how to stare down a horny cameraman and how to wear a pair of white panties.

Melinda ☐

(Grand Prize Finalist #4, *Four on the Floor*, Holiday Issue 1997)

Merry Christmas, fuckers! Melinda's pictorial appears on page 42 of this issue. She stuffs away some of the biggest tips in Dayton, Ohio, where Melinda waits tables part-time. A vote for the sultry, 24-year-old gash slinger means she could become a full-time Beaver!

You've seen the candidates, made your choice and pulled your lever. Mail the completed ballot to:

FEED BACK

Eyes Wide Shut

I've been a reader since day one and, for the most part, have enjoyed HUSTLER for its bare-knuckles approach to journalism as well as its consistent display of some of the world's best pink. The other day, however, I was thumbing through the newest *Penthouse* and gawked at a futuristic lesbian space jam. This gorgeous pair were hooked up to a mechanical hump that was obviously inserted deeply into their twats and anus. HUSTLER has not excited me like that for years. I'll give your guys a few months to get up to speed, or I'll have to open my eyes wider and start checking out the competition.

—E. T.

Little Egg Harbor, New Jersey

The Penthouse fuzzy focus seems to have blurred your vision. Maybe instead of opening your eyes wider, you should increase your intake of vitamin E, the optically beneficial nutrient found in carrots. Didn't you learn anything about the many uses of carrots from October's Jill and Lisa: Naked Brunch shoot?

Jailhouse Crock

A couple of years back, I made a big mistake in my life and found myself in prison in Montana. Recently, I was transferred to a private prison in Texas due to overcrowding. Unlike Montana, this new prison won't allow me to receive my subscription to HUSTLER because of its "limited penetration." I will have the magazines sent to my street address and enjoy them when I get out sometime next year. In the meantime, keep up the good work and keep showing them fingers and tongues in those wonderful pussies.

—D. B.

Spur, Texas

You would think that with all the unlimited and unwanted penetration that is purported to go on behind the gray walls of our penal system that limited penetration here and there would be a step in the right direction.

CONSUMER ALERT: When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

Golden Road Part I

I love the photo shoot of the beautiful blonde peeing in the dirt on page 17 of your October 1997 issue (*Dave and Rose: Pit Stop*). Keep your models peeing! I think it's a huge turn-on. A few pointers: Have them peeing in different and unusual positions, keep them peeing outdoors, and be sure to photograph where

the pee has landed. I think you guys are really on to something here.

—S. K.

Phoenix, Arizona

Golden Road Part II

Was that beautiful woman really peeing in the October '97 issue? This was a golden surprise for me as a loyal HUSTLER reader. It's very rare you see such sights in American porn. Keep it flowing in future HUSTLER issues.

—E. D.

San Jose, California

Golden Road Part III

I'm a little more perverted than most. I just picked up the October '97 issue to find the *Pit Stop* pictorial, and I really loved it. However, I was expecting a little more. Maybe a girl wetting her pants in an "accident" type scene or even a girl wearing a diaper with her "mommy" wiping her big baby clean.

—R. B.

Raymond, New Hampshire

Rose's Golden Moment

At HUSTLER, we do not condone the idea of excretory functions being used for sexual entertainment. We do, however, pay models, like Rose, by the hour, and a ten-minute jaunt to the ladies' room is a costly luxury that we would just as soon avoid. Any increased readership or subscriptions on account of this "accident" is purely coincidental.

SANTA'S TEARS

Ues, Virginia, there is hatred and racial strife in the world—even on Christmas Eve.

This year, Santa Claus has returned from spreading gifts of good cheer to discover a Yuletide tragedy. Stuffed dollies lie with their insides trampled. Lifeless elves swing from ropes tied around the North Pole.

Amid the carnage, Santa finds his beloved Mrs. Claus, ravaged by a faceless gang she cannot identify.

"Their white robes blended in with the snow," gasps Mrs. Claus, her black eyes swelling shut for the last time.

Don't cry, Santa. Maybe next year will fulfill your Christmas wish for peace on Earth.

For HUSTLER readers, Christmas is a time to spend with loved ones. Friends and family gather in the comfort of a loving home. Gifts are exchanged. Carols are sung.

And countless streetwalkers go unfucked. HUSTLER has created the Help the Whores™ Foundation for these forgotten women of the silent night.

To become a Help the Whores™ member—or Hooker Helper®—simply mail in the coupon below, along with a donation of \$50. Your financial support will pay for a HUSTLER Editor to pick up a poor, wanton slut on Christmas Eve, take her to a flea-ridden motel and give her a suck on his candy cane.

Because giving is what Christmas is all about. Contribute to Help the Whores™ and enjoy your holidays, knowing that a HUSTLER Editor is enjoying his a whole hell of a lot. Oh, yeah, and the whore too.

FEEDBACK

(continued from page 11)

Smelly Surprise

About ten years ago, my girlfriend ran off with a used-car salesman, and I've been feeling sad and lonely about it ever since. Then a few days ago I discovered that the sweat from my asshole smells just like her pussy, and now I don't miss her so much. Am I a lucky guy or what?

—G. S.
Vancouver, Canada

You are indeed very lucky, G. S. Being able to not only smell your own asshole, but to enjoy that smell as if it were a loved one is truly a gift most men are too ashamed to discuss in a public forum. The only flaw in your logic is that now that your ex-hussy is squatting on the cock of a used-car salesman, her pussy most likely smells like used-car-salesman splooge. Perhaps your own ass has undergone similar treatment.

JFK Killer

I know that HUSTLER has been obsessed with pinpointing JFK's killer(s) for many years and has even offered a million-dollar reward to whoever determines his murderer. Now that the 34-year anniversary of his assassination is upon us, I thought I would invite your readers to explore my Web site (ciajfk.com) to uncover the truth about his death and the cover-up behind it.

Where's James?

I haven't seen anything new from HUSTLER Senior Photographer James Baes in at least three months. Is Mr. Baes still working for HUSTLER? He is the best photographer in the business today and has been for many, many years. I really enjoyed the Chrissie and Michelle spreads in your September and October HUSTLER Classics (*Chrissie: Saturday Night Raver* and *Michelle: Breakfast Is Served*). It brought back a lot of old memories. I wonder what Chrissie and Michelle look like 20 years

later? Maybe a good idea for a future pictorial?

—R. L.
Olympia, Washington

James is still laboring for America's Magazine. Expect more from the old fox in coming issues. Good photographers don't get old, they just keep developing. If only the same were true for Chrissie and Michelle.

Jackie Off

I was really surprised when I turned to page 8 of the November 1997 HUSTLER and saw the photos of Jacqueline Kennedy. She definitely had a nice ass and an outstanding-looking beaver. Thank you for giving me the opportunity to view such a photo of Jacqueline.

—D. T.
Chillicothe, Missouri

Tattoo Trickery

In your November '97 edition, I'd like to know how Michelle (*Michelle: All Good Things.... Beaver Hunt Finalist #3*) got her tattoo to move from her right ankle to her left ankle. Is it fake or a twin sister or what?

—D. Q.
Kankakee, Illinois

Doctor Watson, I presume you have more than enough time on your hands to not

only spot this error, but to call us on it. The miracle of the female body, however, is that despite the drinking efforts of our Art Department, Michelle's lovely beaver is completely symmetrical, no matter how you slice it. That would be her lovely v-a-g-i-n-a. Take a gander at it if you can find the time.

Bad Beaver Lover

I'm writing you from prison to let you know that your books keep me going. If I didn't get my shit off to your beautiful women, I don't know what I would do. I'm only 21 years old; so my shit is at it's peak. I can't even open your book without cranking one off. If you could let Chastity from *Beaver Hunt* (October '97) know that if she's ever up in Connecticut, get a hold of me.

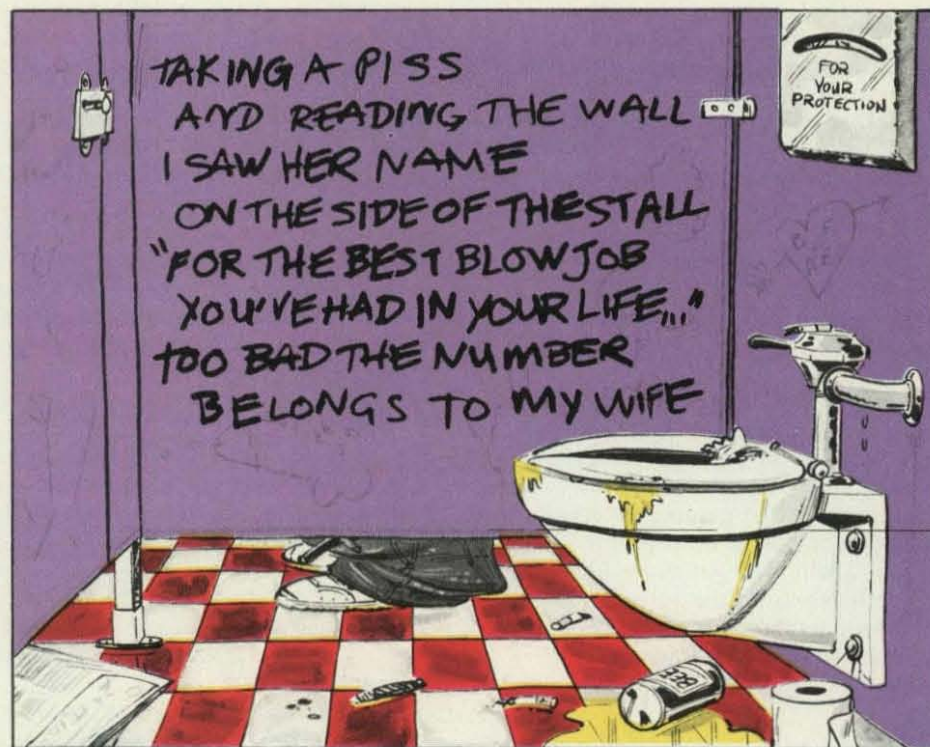

—M. C.
Cheshire, Connecticut

Caught in the Web

I'm glad that HUSTLER is finally coming to the Net. Will we have the same quality of work as in the magazine? What can we look for on the Net? I want to thank the court for ruling in favor of keeping adult magazines on the shelves of military bases. Serving our country is what we do proudly, and magazines such

Dear SLUT

JEANNA FINE TELLS THE
FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

EXTENDED SOLOING

I recently turned my girlfriend on to masturbation, and she took to it like a fish to water. At first it was cool to see her so sexually in touch with herself, but I'm beginning to feel like an opening act for her solo performances. Could this be a phase she's going through? How can I let her know that her frenzied wanking bothers me without stifling her?

—S. M.

Pine Ridge, Minnesota

I'd say, let the band play on. Enjoy watching your woman masturbate and try to get into mutual masturbation; jacking off while watching her jack off, having her touch you while you masturbate, going down on her while she's jacking off, etc.

It's also very possible that she's just going through a phase. But what a delicious phase to be going through. If you love each other, maybe you can help each other love yourselves as well.

FLACCID FORNICATE

Recently, my wife tried to fulfill my fantasy of having her fuck two guys while I watched. Unfortunately, the two men were unable to produce erections in my presence, but had no problems raising wood behind closed doors. I had to settle for listening to the screams of passion from the other side of the door. Is there any way to settle these guys' nerves and unsettle their cocks at the same time?

—D. T.

Chillicothe, Missouri

I'm having a hard time understanding

why they can get it up in front of each other, but can't get it up in front of a third guy. You need to check your expression in the mirror. If you're standing there with a poker face and a whip, you might be intimidating these guys. Try a more gregarious approach. Explain to these guys why you want them to fuck your wife. That could quell some of their fears. Another solution would be to find different guys to play the part. Another problem could be that there are too many guys in the room. Maybe three is a crowd.

GIRL CRAZY

I'm an open-minded chick who's dying to fulfill my lover's fantasy of watching two women have sex. Even though I'm starting to be attracted to women, I'm still not sure that I'll enjoy it. Is there anything I can do to prepare myself for my first pussy partner?

—A. H.

Dardanelle, Arkansas

My best advice is to try anything twice. The first time might be a fluke bad experience; so definitely try it a second time to be sure. Personally, I

found myself attracted to women at an early age. The problem was that where I grew up, there were no gay people, at least not out in the open. If you did happen to hook up with these people, you were automatically labeled as gay. But I found the temptation too overwhelming. Unfortunately, the first experience was a disappointment. The girl whom my boyfriend and I sought to be with ended up smacking me when I came on to her. She never spoke to me again. If that wasn't enough, every time my boyfriend got drunk, he would call me a dyke.

The experience really turned me off to sex with women. As time went on, I really wanted to try it again, and I did, and I have never been sorry.

Having sex with a woman is extremely fulfilling. It's totally different than being with a man. It's soft, it's gushy, and it's all those wonderful things. Definitely worth trying.

YOUNG LARRY FLYNT HAS A REVELATION

A woman with long, dark, wavy hair is lying on her back in a jungle setting. She is looking towards the camera with a slight smile. She is wearing a thin, gold-colored chain around her waist with a large, round, metallic pendant. The background is filled with lush green foliage, including large, broad leaves and thin, vertical stalks. The lighting is warm and soft, highlighting her skin and the surrounding plants.

JUNGLE BUSSH

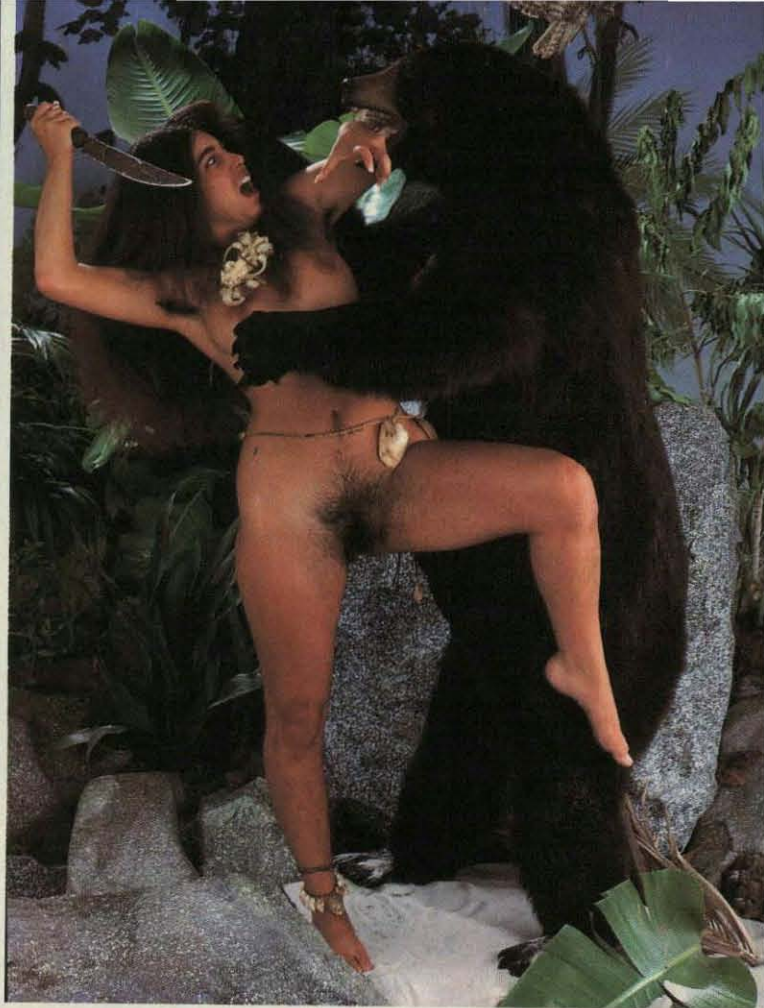

PHOTOGRAPHY BY RON VOGEL

A hirsute lovely such as Jill represents all the beauty of a natural woman.

Throughout history, cultures from Greece to Brazil, from Turkey to Berkeley, have been seduced by the erotic appeal of body hair.

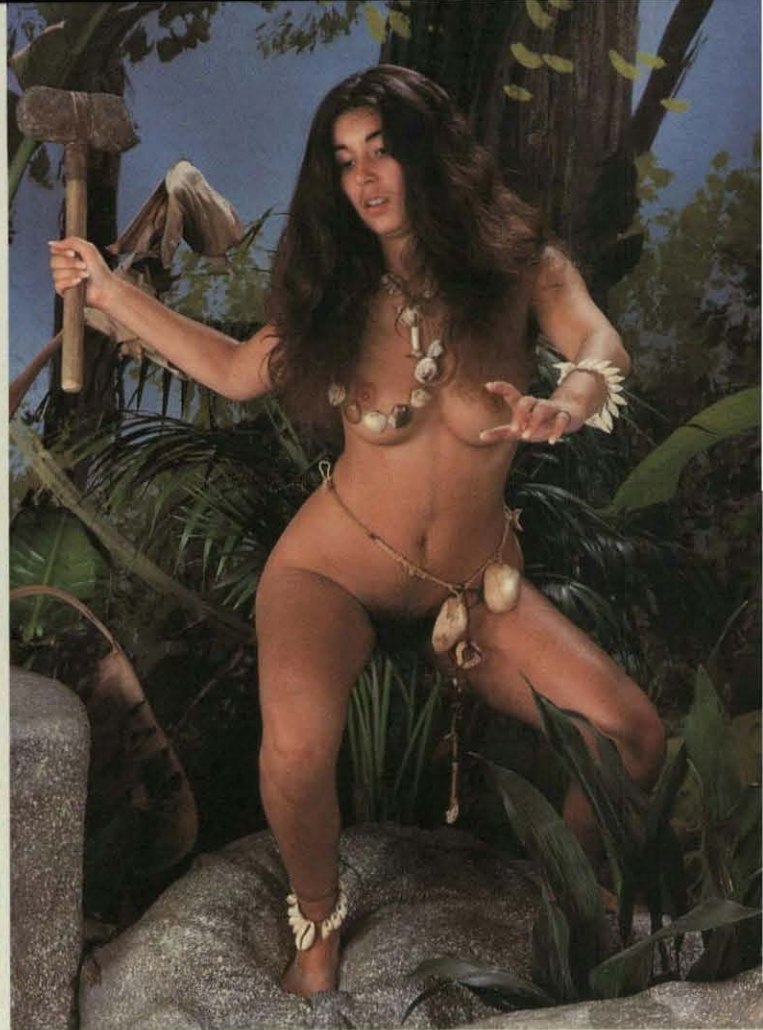

Jill's downy forest absorbs the musky scent of her womanhood. Her earthy fragrance evokes the primitive, untamed lust of a bygone time when human passion was closer to the hunger of a beast.

Jill is never at a loss for suitors who crave experience in the bush, saying, "In America, I can always find real men who are not afraid of a real woman. My body is exactly as Nature intended it to be, and Nature is beautiful."

Dear Slut

(continued from page 16)

What your lover needs to understand is that deep-throat is not the entire blowjob—it's the icing on the cake. It's something to be done sporadically within the blowjob.

masturbating. Usually this isn't a problem with whomever I happen to be fucking because they have orgasm after orgasm. Both the women I'm seeing want to make me come naturally, but I lose interest when I feel their only goal is to satisfy me, rather than themselves. Is there any way to solve this problem?

—T. C.
Reno, Nevada

I know from being in the porn business that many men can only come by jacking off. In front of the camera that's very common. Don't feel that you must try to come "naturally" to satisfy women. Maybe invite them to become involved in your masturbation. You shouldn't feel like a freak just because you don't ejaculate during sex. Like I said, this is a common condition that's only a problem if you're not having fun. If you want to really answer the question of why you can't come, I would suggest consulting a sex therapist.

BACK-DOOR BRAVADO

You said yourself that a man's clitoris is in his ass. My fantasy is to have my girlfriend whip my ass and fuck me with a strap-on dildo. I've been dropping hints and buying a few S&M toys, but she's not biting. How do I persuade her to do this without her thinking I'm gay or less of a man?

—L. C.
Crete, Nebraska

Hooray for you. You've been able to get in touch with that deep anal side of yourself. Sphincter penetration is a big hurdle for a lot of men to overcome. As for your girlfriend, it really depends on how long you've been with her and whether or not you really care what she thinks. I suggest renting my movie The Fine Line. I wear a strap-on and fuck some guy. Maybe whisper in her ear, "Hey, that looks like fun," when the strap-on scene comes on.

Perhaps you should try a more direct approach rather than dancing around the issue. Tell her exactly how you feel and why you would like to be fucked in the ass.

Maybe encourage her to start with a finger up your ass. Most men really love that, even though few admit to it. Because who knows? Maybe one finger could lead to a cucumber.

GOT MILK?

I've heard that women sometimes lose teeth and suffer other adverse effects

when lactating for entertainment. Is this true? Should I stop sharing milk with my husband?

—L. I.
Augusta, Maine

I have never heard of such a condition! I lactated before I was ever pregnant and do so now even though my son doesn't breast-feed. What you're hearing about is an extreme case of calcium deficiency. If you're lactating, you should be taking prenatal vitamins anyway. If you're taking your vitamins and not feeding a Third World country, then I wouldn't worry about losing your teeth.

CHOKE ARTIST

Not long ago, I was giving head to my boyfriend, and I accidentally swallowed the tip of his cock. Ever since then, he's been begging me to do it all the time. I like to get him off, but I don't like choking on his helmet. Is there an easy way of performing this maneuver?

—S. J.
South Bend, Indiana

Welcome to the wonderful world of deep-throat! If you've seen any of my

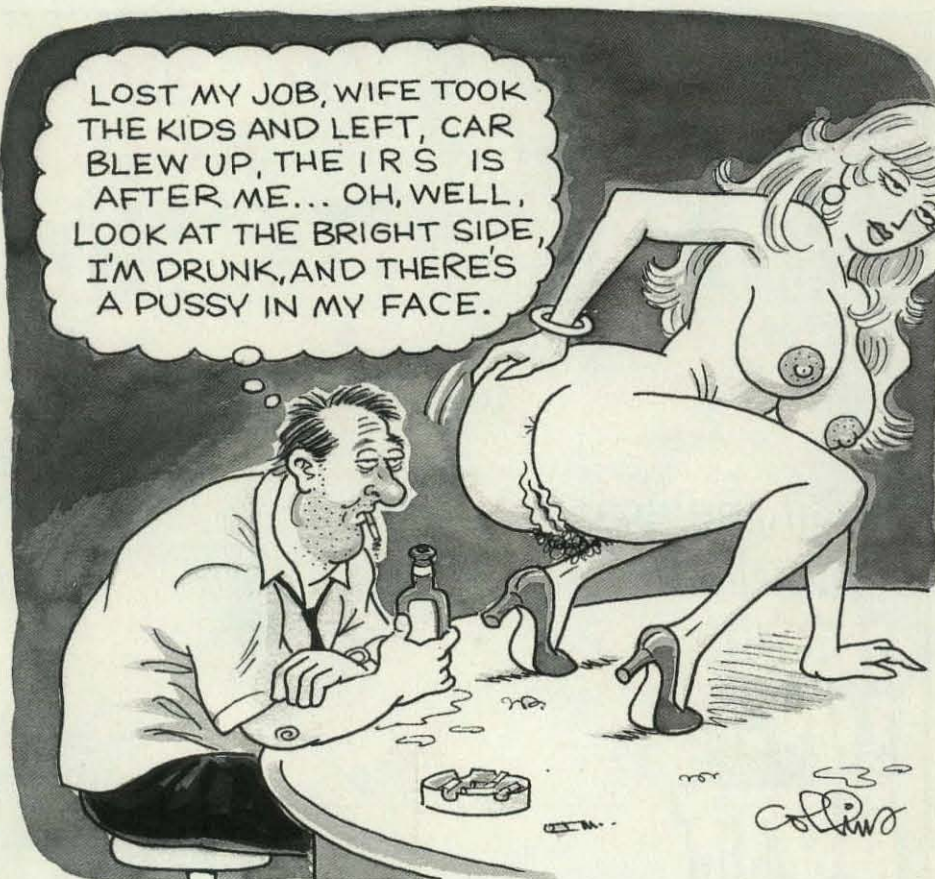

movies, then you know that deep-throat is my specialty. As a specialist, I can tell you that there is no avoiding the watery eyes and the gooey mouth.

What your lover needs to understand is that deep-throat is not the entire blowjob—it's the icing on the cake or the cherry on top. It's something to be done sporadically within the blowjob. I can't imagine a guy pounding my throat until he came in my lungs. That would probably cause vomiting.

The reality is that deep-throat makes your eyes water as does any activity that involves putting something down your throat that hasn't been properly chewed. But the back of your throat is where all the gooey spit is. Try taking him really deep and catch your breath while jacking him off with all that gooey spit.

For proudly serving your country, we will fill our HUSTLER Web site (www.hustler.com) to the brim with the finest pink on the planet, along with some stuff that's too explicit even for the pages of HUSTLER.

More Ass, Please

A few months ago your boy/girl pictorials were the hottest thing going. Lately they've been kind of dull. I can tell the guy has his dick in her mouth, but because of the angle, I can't see anything. What's the point? I'd like to see more manhandling of the guy's meat. Hand-jobs, ball play, titty fucking, dick poking out from between the thighs, etc. When a woman pushes her tits together, a crater is formed at the top of her cleavage. How about filling that with creamy, white cum? Or dripping from her lips? With girl/girl pictorials, I'd like to see more dildos and ass play. There's nothing like a beautiful face buried between firm, round ass cheeks.

—G. S.
Vancouver, Canada

That's great, G. S., but why don't you try suggesting some new ideas. In the meantime, be sure to check out *Sarah and Tess: Dirty Job* on page 94 of this issue. We think you'll approve.

Jeanna's Fine

Thanks for putting Jeanna Fine in HUSTLER (check out *Dear Slut* on page 16). She's the best thing that's happened to the porn industry for a long time, and her column kicks ass.

—T. C.

Close Shave

In reading your October '97 Feedback column, specifically "Sweet 18," I was fascinated to read F. G.'s letter and his comment about shaving his "cock area and balls." I think that F. G. was right. You should start a trend of shaving your male models. I've been "shaving" myself using a product called Caveat for the past 30 years and have had no adverse effects to speak of other than occasional itching during the first few months. I'm not gay or bisexual, and two days ago I proposed to a 24-year-

old woman (after four proposals, I have been turned down). I am a 50-year-old single white male and have been shaving since I was 20, and—believe me—my masculinity has not been affected.

—A. P.
Charlottesville, Virginia

The fact that you're a single man and proposed to someone two days ago sheds a suspicious light on your grooming habits. You're not giving these girls locks of curly, black hair instead of engagement rings, are you? While some of us at HUSTLER believe that God put

hair on vaginas by accident, we unanimously agree that the hair on our ball sacks is there for a reason and shouldn't be tampered with, at least not for the benefit of other men.

Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211 or E-mail to hustler@lfp.com. Include a phone number if you want your letter considered for publication.

HO HO HOES

All women are whores—and as a six-foot, staggeringly slutty blond woman, I ought to know! I've used my big-chested wiles on every Tom, Dick and hairy dick within my pussy's slimy path. Do I regret a single cocksucking, cunt-stuffing, ass-reaming day of my 32 horny years on God's green Earth? Hell, no! I'm just doing what the fairer sex has done since the beginning of time: Coasting through life by the skin of my snatch. Being a whore is a public service...especially when the holidays roll around.

For me and my equally loose-labeled girlfriends, Christmas is the season to fuck for hire. That's right, we give it away 11 months each year; but come the first of December, my poontang posse likes to raise money for needy kids.

You probably couldn't tell from the happy and well-adjusted tone of this letter that I grew up in a broken home. Well, believe it, mister! Poverty is no laughing matter. Neither is the nonstop bullshit I suffered at the hands of my stepfather. Today, I can make sure the vicious cycle of neglect and abuse will not be perpetuated—simply by bending over and spreading my pale, creamy ass cheeks for \$50 a pop.

I met up with two of my fellow Good Samaritans at the corner of Dunkirk and 49th Street. Lorraine and Cha-Cha really get festive about their hooking; the pair of seasonal streetwalkers stood in eight inches of snow, wearing halter tops and hotpants while ringing a bell

copped from the Salvation Army!

Through chattering teeth, Cha-Cha greeted me with a friendly, "Hola, Sweet Teats." That's a nickname I earned after countless nights of driving around drunk with Cha-Cha's six older brothers, flashing unsuspecting passersby. I responded to the zaftig Latina with a deep soul kiss. Cha-Cha slipped her honey-colored hand under my skirt and moaned, "Ohhhh, you kept the meat mitten toasty for me!"

"Big deal," snorted Lorraine, taking a deep drag off her Virginia Slim and exhaling in my face. "Sweet Teats probably spent the day fucking a nice, warm, fuzzy German shepherd. We've been freezing our asses out here!" Lorraine can be a rude cunt. The only way to kindle her Christmas spirit is to stoke her slit with spit-slick fingers. I fell to my knees on the slushy concrete, yanked down Lorraine's shorts and jammed a few digits up her

flue. She gasped, her painted lips blasting steam that heated up the winter air.

I kneaded Lorraine's bare bottom and laughed, "If this ass is frozen, I hope my tongue doesn't get stuck." While manually gouging her clam, I plunged tongue inside Lorraine's bung. There's no place my face would rather be than buried in a butt. Rimjobs are my specialty; I even prefer tossing a beautiful chick's salad to eating her pussy! My curious licks and swabs worked their way into the deepest crevices of Lorraine's colon. Her crinkles were particularly flavorful on that chilly afternoon. Perhaps she had accepted a rear delivery in the morning.

Ever the worrywart, Cha-Cha whispered, "Ay-yi-yi! You can't be sucking ass in public, girl. Are you crazy? Somebody's gonna notice!" Even if I wanted to stop, Lorraine wouldn't let me; her

Eric Price, Julian St. Jox and Guy DiSilva.
Videocassette: Skintight/Apex.

Open on Chloe: Her pale, plump, undulating buns jar in appealing waves of dermal cheese with each footfall of her oddball dance. Soon, the ass halves are split up the middle by a thumping chocolate dong; a vanilla counterpart juts in and out of poon proper, nudging Chloe's molten clitoral lumps. Chloe judges prongs not by the color of their skin, but by the content of their yarbles. The brewing mix of gonad gunk lands on her face, and she nods approvingly. Cut to Missy: She lies frog-legged upon a complicated table, an electric, pump-action dildo pistoning into her colonic cylinder. The blond hyena clutches a manual suction cup that she applies to her nipples and clit; startling close-ups reveal a shocked-pink tissue that clams the clear cup with each powerful suck. Genitally explosive scenes with Roxanne Hall and Jill Kelly follow, interspersed throughout a laughable *La Dolce Vita* plotline. The nonsexual elements of *Surrender* are often painful to sit through, but the blitzkrieg fucks reward the wanker who refuses to give up. —Richard Crenshaw

Night of the Stars

Larry Flynt
Accepts
Honors and
Speaks Out

Night of the Stars, an annual fund-raising dinner for the XXX-industry trade organization known as the Free Speech Coalition, was held on August 1 this year at the Sheraton Universal Hotel in the heart of movietown.

Dedicated to promoting the First Amendment rights of the adult-entertainment business, the Free Speech Coalition event draws hundreds of high-crass skin stars and tuxedo-wearing porn big-shots. This year's dinner included a rare appearance from HUSTLER Publisher Larry Flynt, who was on hand to accept the Hal Freeman Freedom Isn't Free Award.

Flynt, who has been imprisoned and shot for his honest belief in the United States Constitution and Bill of Rights, arrived at the podium on the gold-plated reminder of the price he has paid for freedom—the wheelchair from which he runs a media empire that continues to draw the ire of extremists and crackpots outraged by the sight of pink.

Beginning with a friendly jibe that compared Ron Jeremy's ass-getting powers to those of a toilet seat, Flynt quickly moved on to issues of political repression in America.

"The radical feminists and religious right would put us all out of business tomorrow if they could," he reminded the crowd.

"If something isn't worth going to jail for, it isn't worth much." Amid applause that came from, among others, his children Larry Flynt Jr. and Theresa Flynt-Gaerke, who watched from a center-row table, the Publisher of America's Magazine concluded with a simple exhortation: "Don't take your rights for granted."

Flynt's speech was a reminder that, unbelievable as it may seem at this late point in the 20th century, beating off to a porn video or a HUSTLER is ultimately an act of political defiance against the forces of repression.

A friendly Hedgehog greets Mr. Flynt.

Honored perverts.

Blue Dahlia

FULLY
ERECT

Directed by James Avalon; starring Misty Rain, Shyla Foxxx, Roxanne Hall, Chloe Nichol, Sunny, Tracy Lauren, Laura Palmer, Tony Tedeschi, Marc Wallace, Ian Daniels, Tommy Gunn, Alex Sanders, Jeremy Steel and Chad. Videocassette: Cal Vista Pictures.

Misty Rain displays such evil charm in *Blue Dahlia* that jerking off to her molten expression of delight as two fools simultaneously glide their cocks into her steamy bottom feels like an act of Satan worship. The Evil One would be pleased with an opening that features Roxanne Hall and Chloe Nichol as girlfriend lovers committing blasphemies with tongues and twats before joining with a hard-on sinner and barbecuing his meat bone in Chloe's sizzling shit pit. The boneman commits sins of emission twice, squandering his seed upon Chloe's wiggling pup teats and again upon the crazed grins of the two demonic bitches. As the action unfolds, a cavalcade of prime she-devils sell their holes for shots at porn infamy against a variety of lurid fantasy backdrops that represent the dream life of main character Tony Tedeschi. *Blue Dahlia* repays the viewer's furiously pumping hand again and again with the warm, clumpy wages of sin.

Creatures of the Night

HALF
ERECT

Directed by F. J. Lincoln; starring Anna Malle, Heaven Lee, Alexandra Silk, Yvonne, Felecia, Mila, Colt Steele, John Decker, Jay Ashley and Tommy Gunn. Videocassette: Wicked.

The story concept behind *Creatures of the Night* is credited to pretty-haired muscle chicken Colt Steele, whose narrative ideas are almost as muddled as his perceptions of what constitutes a strokable poling of professional gash. Steele studs in three of this darkly lit porn

noir's six scenes and climaxes quicker than a spastic junior-high masturbator in each. Steele's fellow woodsmen fare better, treating toothy Anna Malle to a riveting anal bang and super-slut Mila to her requisite two-position double penetration. A three-poon lesbian huddle, starring Malle, Felecia and a pontoon-chested blonde, is worth a wad, but cannot recoup the lost wankables squandered by minuteman Colt. *Creatures of the Night* appears to be about the ravenous humper that rages within us all. Regrettably, Steele's performance exhibits a tamer animal.

Beyond Reality 4: Anal Potion

THREE-QUARTERS
ERECT

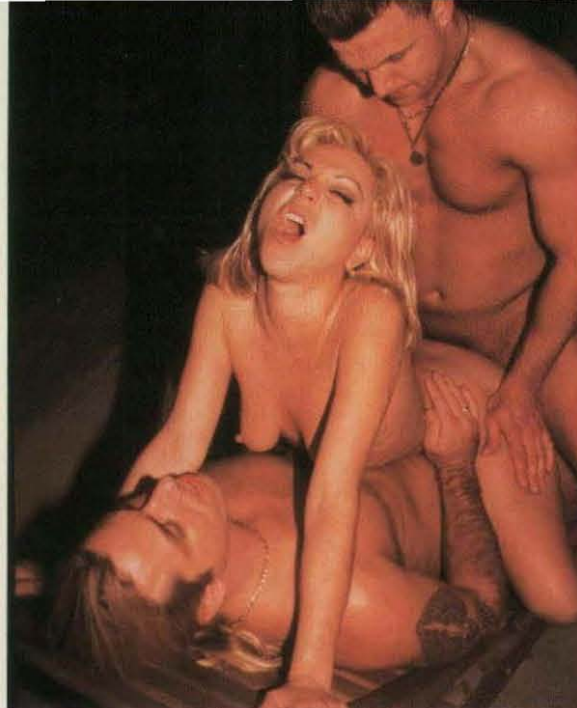

Directed by Bionca; starring Missy, Chloe, Victoria Hill, Johnni Black, Angella Faith, Taren Steele, Alyssa Allure, Byron Long, Jake Steed, J. J. Michaels, Mark Davis, Sean Michaels, Tony Tedeschi and Mickey G. Videocassette: Exquisite Pleasures.

The greatest difficulty in making love to one's hand throughout the *Beyond Reality* series is avoiding the video's occasional cuts to an unsettling Brucie puppet, which is comporting itself in nearly the same fashion as the viewer, gliding its tiny wooden hand along its stiff puppet schlong. A touch of viewer self-loathing is inevitable, especially if the human wanker comes ahead of the squirting, frozen-grimaced Muppet. A quick splooge toast spews early in *Anal Potion*, which opens with a ball-ringing sphincter gutting and face painting of Missy in full howl. Director Bionca moves quickly to a two-pronged impaling of Chloe, a loin-burning ass exhibition by the Jello-breasted Roxanne Hall, a surgical-gloved, digitally probing all-girl threeway and a final anal gang-bang trained on the open shitter of Alyssa Allure. *Beyond Reality 4* more than lives up to its box copy, which promises a tour "through the assholes of beautiful women," but wankers shriveled by the Brucie puppet will wish that Bionca would find a new guide.

—R. C.

BLUE DAHLIA: Misty Rain's chained meat.

CREATURES: Mila receives a double-barrel blast.

BEYOND REALITY: Cunt examiners Steele, Faith and Black.

Fetish

ONE-QUARTER
ERECT

Directed by Paul Norman; starring Rocki Roads, Samantha Strong, Shelby Stevens, Chloe, Raven McCall, Nadia, Toni James, Mark Davis, Colt Steele, Napoleon, Valentino, Dick Nasty and Rick Masters. Videocassette: Sin City.

When a mainstream porn outfit takes a filmic crack at exploring the kinky sexual underground, the resulting product is usually half-baked, cliché-ridden crap. *Fetish*, a recent release from Sin City, is no exception. Mark Davis's behemoth tool gives a plastic-sacked blonde a good ride, but a classic mug-shot would have served better than the dong's corny jack into the floozie's high heel. The worst abomination—after a jackhammering three-man gang-up on Chloe's two-car anal garage and a toe-sucking lesbo party—is the anticlimactic dream sequence that begins with a hippie midget cavorting in a flowered field and ends with the little spark plug juicing the craw of an obviously cash-starved Raven McCall. No slag on the dwarf—he serves dork with ten times the gusto of mesomorph Colt Steele—but few hand humpers will be hung up on this *Fetish*.

—R. C.

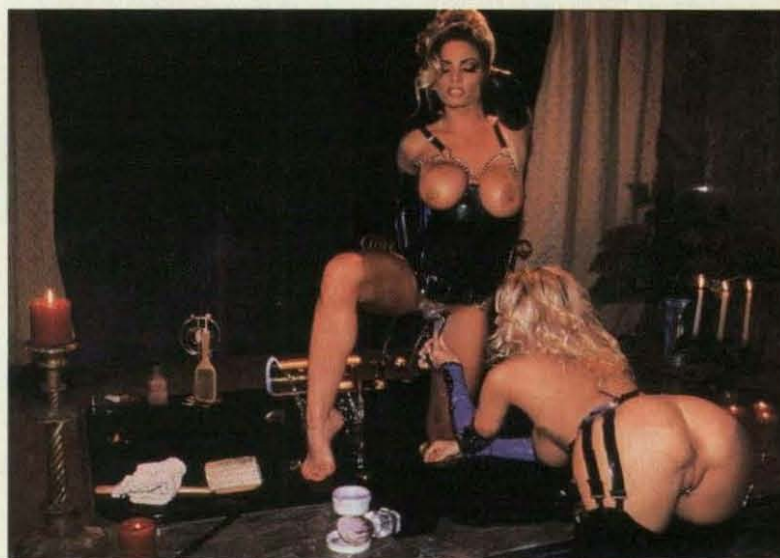

Piece of Ass

HALF
ERECT

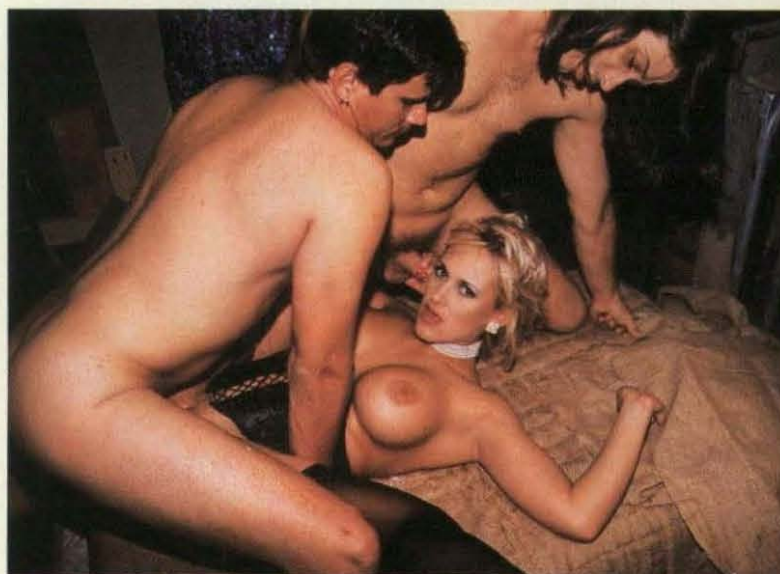

Directed by John T. Bone; starring Dawn Daily, Candy Apples, Alexxx Knight, Angel Hart, Alyssa Allure, Rick Masters, Steve Hatcher, Dave Hardman and John West. Videocassette: Metro Inc.

Anyone who has had his life repeatedly wrecked by living, breathing cunts finds increasing solace in snatches that are securely contained in videocassette boxes. Boxed clams in *Piece of Ass*, such as sexpot Amazon Dawn Daily and snarly blond Angel Hart, can be safely viewed without any of the dangers commonly associated with pussy from free-range bitches. Remote-control pussies can be ass-reamed silly, made to lick spunk off of a sister skank's tits or induced to inhale choad until drool spews off their lips in gooey elastic strings. At the end of a night's pleasure, they can all be thrown into the closet without complaint. If there's any doubt that video bitches outperform street cunts, check out the good-natured grimace on Alyssa Allure's snoot during her thorough double asshole penetration. If fuck bitches in real life were half as nasty as the cushiony degenerates in *Pieces of Ass*, the defenseless male dupe would jump at the chance to have one wreck his life even quicker than the last cunt did.

Pussyman Takes Hollywood

ONE-QUARTER
ERECT

Directed by David "Pussyman" Christopher; starring Caressa Savage, Summer Knight, Jill Kelly, Davia Ardell, Kristina St. James, Nikki Sinn, Holli Woods, Eve, Lucy, Victoria Basque, Peter North, Vince Vouyer, Marc Wallace, Nick East, Dave Hardman, Rick Masters, Mike Albo and Pussyman. Videocassette: Odyssey Group Video.

A rumor is circulating in the XXX industry that in order to helm a raunch video, the director must pass a test that certifies him as a total moron. Adding credibility to this speculation is *Pussyman Takes Hollywood*. Stuffed tit sacks abound, but the biggest boob glimpsed is Pussyman, whose bloated, sweaty grin continually crops up to ruin the feeble erotic potential of the weak scenes. Has anyone told Pussyman that nobody wants to jack off to his flaccid, putzy face? The cheesiness of a plot that has Pussyman in the role of low-rent Hollywood player in search of "beautiful pussies" is matched by the cheesiness of the thighs, butts and beer bellies attached to the allegedly "beautiful pussies" presented. A few good-looking snizzes make it into *Pussyman Takes Hollywood*, suggesting that their owners might score as high on the moron test as Pussyman does.

HUSTLER's Hot Letters to Debut on the Obscene Screen

One-fisted readers who have long enjoyed HUSTLER's *Hot Letters* will soon be able to see their favorite filthy epistles fleshed out in a new triple-X series by Vivid Video.

Director and champion slut-fucker Jon Dough (see *Reverse Gang-Bang 101* in the December 1997 HUSTLER for the story of Dough's incredible one-day odyssey through 101 cunts) began filming the first *Hot Letters*-based video in August at a rented bankruptcy mansion in Beverly Hills, California.

Turning the tasteless masterpieces of monkey-spank literature into video raunch proved an arduous task for a dedicated cast and crew. Beneath the scorching glare of flood lamps, bales of dry leaves were heaped across a marble entry hall to create the setting for "Leaf Blower," the *Hot Letters* story about a horny housewife who invites the yardman inside to fuck her nearly to death.

In the role of housewife, blue-eyed newcomer Bobbie Bliss turns butt-up in the leaves. Dave Hardman, costumed in nothing but work boots, kneels and plops his dong into Bliss's mouth. She nonchalantly fluffs him as the crew focuses the lights.

"Okay, Dave," Dough shouts, referring to the *Hot Letter* from a September 1996 HUSTLER. "Suck her tits, do her doggy and then kill her."

"Kill her?" asks Hardman, pressing his balls into Bliss's mouth.

"No, Dave," Dough corrects. "Not literally. Just fuck her really hard."

At the call of "Quiet on the set. Action!" the carnal thespians commence humping. Slapping flesh, grunting and the scraping of dry leaves echo in the foyer. Occasionally, a ripping pussy fart blasts the room. Soon, the air carries a sour, warm animal scent, thrown off by the sweat-shimmering flesh of the actors.

"Ow!" Hardman shrieks, jumping off of Bliss's backside and shaking his leg like a wet dog. "I think I pulled my right nut!"

"Take it easy, Dave," Dough reassures him. "You can come on her face now."

"Aim for my mouth and below," Bliss says in a cheerful voice that emanates

from beneath the pile of leaves. "Sperm makes my face break out."

Hardman yanks Bliss up by the hair. He jerks her up and down on his rod, fucking her face with the tenderness of a pissed-off caveman. Wad shoots from his veiner like confetti streamers, all of it splashing as requested on her mouth and below. Hardman slumps against the wall, catching his breath.

Bliss bounds enthusiastically from the leaf pile. "Wow, that was great! I'm just an exhibitionist at heart," she giggles, then steps outside to have the crud sprayed off of her with a garden hose.

"I tried to make it look like I killed her, Jon," Hardman wheezes.

"Do you think this letter was written by a total psycho?" a crewman asks.

"Probably," Jon Dough states. "Sometimes I feel like I'm filming *Richard Ramirez Goes to Hollywood*. You can't tell if they're really funny or totally twisted."

Vivid Video's HUSTLER series will be available soon in finer adult-video stores everywhere.

Sugardaddy Number 7

HALF
ERECT

Directed by Dave Cummings; starring Shanna McCullough, Pandora, Carolina, Devon Shore, Morgan Navarro, Christann, Shauna Doyawana, Kiki, Rod Fontana, Scott DeBone and Dave Cummings. Videocassette: Xplor Media.

In *Sugardaddy* Dave Cummings proves that the golden years can be a time of perversion and deep anal penetrations. The dapper little bald bastard begins by scaling Shanna McCullough's plush ass mountains and sliding down prick-first until he strikes pink. Seismic quivers rumble across McCullough's flesh as Dave thrusts at jackhammer speed. Beads of sweat form on Dave's clammy brow. His bugged-out eyes and white-knuckle grip suggest imminent death through apoplexy, but Dave makes it to a dribbling, prostate-pumping climax across McCullough's kisser. The old fucker returns, stiffening his gnarled blunderbuss in the mouth of a slobbering hootchie, then spiking her caboose while bending her over his Barcalounger. Natural-bagged, youngish skanks, such as blond squealer Kiki and Latina ball-licker Morgan Navarro, predominate. *Sugardaddy* sends a clear warning to all the little girls of XXX: Grandpa's got a boner, and he wants to fuck you in the ass.

Profiles 10

THREE-QUARTERS
ERECT

Directed by Tim Lake; starring Elska, Anita Dark, Anita Blonde, Raven McCall, Maya, Victoria Hill, Samantha, Randi Rage, Michael J. Cox, John, Frank Gunn and Ian Daniels. Videocassette: Xplor Media.

The hippie-trippy folks from Xplor Media present another *Profiles* video in their wildly inconsistent series that boasts more ups and downs than Elska's flip-flopping, whale-fed whoppers during her vigorous double dildo

joust. The ups begin with Maya raising her baked-brown butt orbs as a one-eyed viper punctures the juicy seal oozing from her clam flaps. On the neighboring couch, high-intensity Euro sluts Anita Blonde and Anita Dark, sisters in perversion, tongue, digitize and tit-fuck each other's shaved-stripe slice. Hard slabs of meat pack into Maya's pit of mushy pink and flinching brown winker; Maya's Pippi Longstocking pigtails fly to the ceiling as the shadowy goons clutch her in a DP sandwich. Nearby, Anita Dark is upside down and oinking with a well-deserved prong invading her thin, appealingly cruel mouth. Wad splatters taut tummies, docile grins and mightily swaying whammies. What are the downs in *Profiles 10*? After more than a half dozen impromptu but well-lensed scenes, it ends. —M. A.

Everybody Wants Some Bionca Style

HALF
ERECT

Directed by Bionca; starring Felecia, Misty Rain, Chandler, Johnni Black, Raven McCall, Suzi Suzuki, Amber Hunter, Sweetie Pie, Candy Vegas and Roxanne Hall. Videocassette: Exquisite Pleasures.

Drenched in oil, gloved like proctologists, Felecia and Misty Rain square off in round one of this Bionca-directed lesbian slugfest, which is combated as fiercely as a Christy Martin boxing match, loaded with jabs, grunts and thrusts, minus only the blood. Felecia pops Rain's cunt with a dildo the size of a Duraflame log, then slaps the bitch around the ass. A feral three-clam pack are next on the card, cementing the digit-, dildo- and strap-on-stuffing routine. The marquee matchup pits the ripe-hooted, bubble-assed Roxanne Hall against a woefully legal balloon bosom who succeeds in licking Hall's slick muff to wrenching climax. *Everybody Wants Some Bionca Style* shows off plenty of hunger, but often in a way that is more athletic than genuinely erotic. —R. ENCHANTED: Lee and Love, fuck fiends.

Enchanted

HALF ERECT

Directed by Jim Enright; starring Serenity, Chloe, Jacklyn Lick, Heaven Lee, Alyssa Love, Mickey G., Sean Michals, Tom Byron and Tony Tedeschi.

Videocassette: Wicked Pictures.

Serenity's pouty sugar-pie face expresses no more thought and emotion than the nipples on her plastic-stuffed boobs. Too bad the makers of *Enchanted* stuff her mouth with so much dialogue in this inane story about witches and mortals. The porking finally begins. The camera-man fixes his lens on a long, tiring shot of Mickey G.'s condom-clad poker mechanically piston-ing into Serenity's purplish gash. Serenity doesn't thaw out until she warms her tongue, frenching brunet Jacklyn Lick from mouth to quim. Serenity's back spontaneously arches, and her butt rises and falls like the graceful beating of an angel's wings as she grinds her oozing crease against her girlfriend's cream-complexioned thighs. Such flights of unscripted carnal inspiration rescue *Enchanted* from its lame plot and almost save it from being a total piece of shit. —M. A.

GIGOLO: Lick assists Boy in the boning of Carolina.

Gigolo

HALF ERECT

Directed by Jim Enright; starring Shanna McCullough, Carolina, Jordan Lee, Jacklyn Lick, Rebecca Lord, T. T. Boy, Peter North, Mike Horner and Tony Tedeschi. Videocassette: Sin City.

Instead of the more tenable reality of servicing worse-for-wear, dried-prune-clam hags, *Gigolo* presents the fantasy that male hookers might be called upon to stick splork into such prime squack as Rebecca Lord

and Jacklyn Lick. The faulty premise leads to some marginally sperm-boiling couplings: A teardrop-assed brunette steers prong backdoor before pulling tool from bung to lips; Lick and a blonde play rug munch until T. T. Boy's big unit interrupts for a double-mug facial; and Peter North and Boy combine for a double-digit spurt on the more likely real-world gigolo customer, Jordan Lee. Not even Lord's gorgeous kisser, lean stems and six-pack abdominals can save *Gigolo* from being a cheap date. —R. C.

Hot Letters

If there's one thing a lifetime of slatternly behavior has taught me, it's that men will pay any price to roll their bone with two skanks at the same time.

(continued from page 31)

vaginal walls gripped tightly upon my fingers, dripping hot juices onto the icy sidewalk. I moved my mouth a little bit lower, suckling cunny from the back while my nose nudged browneye.

Cha-Cha may have been ready to shit a chihuahua, but I actually hoped to gain attention with the oral display. If there's one thing a lifetime of slatternly behavior has taught me, it's that men will pay any price to roll their bone with two skanks at the same time. A threeway with Principal Scully allowed me to graduate high school; later, when my diploma was recalled, a threeway convinced the school thug to break Scully's legs. Now a threeway could serve to put a teddy bear under the tree of a poor, homeless orphan. The thought of happy children on Christmas morning made me slurp Lorraine's shitter all the more vigorously. Gurgling noises echoed through the empty streets, drowning out Cha-Cha's stupid bell.

Sure enough, the song of the sphincters enticed our first customer. A middle-aged mook in a Lincoln Town Car screeched up to the curb so quickly, you'd think he was racing the Indianapolis 500 of analingus. Well-dressed and drooling are two of my favorite qualities in a man; through the valley of Lorraine's rump, I could see this guy had both categories sewn up. I don't think the shivers that shot through my beaver had anything to do with squatting on snow.

"Good afternoon, ladies," announced the polite perv, leaning out of the car's passenger window for a better view of my ass-wiping technique. "I don't mean to interrupt your lunch, but I was wondering if I could interest you in a taste of mine." Cha-Cha sidled up to stick her cleavage in the john's unseasonably sweaty face.

"That depends," Cha-Cha vamped. "What's on the menu?" By the time our potential client had whipped out his massive peter and even bigger wad of bills, Lorraine and I found our way into the Lincoln's backseat for a sloppy 69 position.

Up front, Cha-Cha's head was bouncing in the lap of the well-hung stud. Groaning all the way, he drove us to an abandoned school parking lot. Weather conditions had kept the kids home today; little did the toddlers know that Santa Slut would take advantage of their absence to bang a creep for Christmas cash.

Lorraine straddled my head and thrashed wildly within the luxury-car confines. I gave that dirty girl the occasional slap on the haunches while munching her gleet-speckled carpet. In turn, she chowed at my clitoris, twiddling the hood and massaging my love lips. The two of us

may not always get along, but Lorraine always gets me off. She's even better than my 66-year-old dyke landlord!

Before I could gush my briny load, the door behind Lorraine swung open. There stood Mr. Horsecock, his pants around his ankles and his member wobbling in the windchill. Lorraine lifted her face from my twat and stared at the pork sword that threatened to put her eye out.

"Don't mind me," said the owner of that mighty, humping hammer. He grabbed the shaft and plunged into my womb. Goddamn, it felt good to fuck some dick! I could never go full lesbo; my hole demands to be filled with something fleshy, and a cheap strap-on just won't fit the bill. The rigid snake slithering between my thighs was more like it. Lorraine continued her mouth-to-clit administrations as the pink passage below was brutally boned.

Meanwhile, I matched the rhythm of each penile stroke to the tongue darts I threw at Lorraine's sloop. The door behind my head was the next to open; this time it was Cha-Cha, rubbing her fat mammaries between Lorraine's pooper pillows, still moist with my spittle. Cha-Cha's so nasty. She poked her oh-so-erect nipple into Lorraine's rectum before stuffing said spigot into my yob. I sucked the titties clean, momentarily for-

saking my role in the mutual muff-dive to enjoy the rod tearing up my cervix.

"You've got a tight pussy for a filthy whore," panted the fellow behind the fuck missile. I've heard that comment many times. Usually, a guy says it right before he blows spunk. Sure enough, the baby's arm using my G spot for a punching bag twitched and spewed. A chain of orgasms surged through my wet spot. The sensation was so intense, I nearly swallowed my tongue. Cha-Cha allowed me to bite on her nerp until the crotch-engulfing convulsions had safely passed.

After the four of us cleaned up, Cha-Cha pulled a knife on the old duffer and rolled him for nearly \$5,000. That's at least enough for a Tickle Me Elmo doll! In fact, us girls had sufficient cabbage left over from our charity work to buy a few bags of pot. Which makes me hot and bothered. Which makes me a complete fucking whore. But then, you knew that already!

Hot Letters

I proudly pulled out my wang and guided Petula's hand to the warts in question. She danced her fingertips across the rocky abrasions as if reading penile braille.

laid. Well, you simply need to know how to work a minor setback such as herpes. And boy, did I work it at the office Christmas party this year.

I'm employed by a popular catalog clothing retailer. The company's founder is as queer as Eddie Murphy's excuse for picking up a tranny. But I will say this for our lavender-clad leader: He hires nothing but the hottest chicks on the planet.

For instance, an intern named Petula has been turning my head and churning my balls. She's a short, hard-bodied brunette with the face of an angel and the kind of ass that makes a Catholic priest cream in his robes. I'm talking about a fucking fox! Unfortunately, every straight guy in the department has made a play for Petula—and she's shot them all down. Except me, when I caught Petula under the mistletoe.

I leaned in and politely pecked her on the cheek. The aroma of one too many margaritas wafted over me; if my suspicions proved correct, Petula was absolutely potted. She nearly fell over and could only lean upon the bulge in my jeans for support. In my opinion, these were all subtle clues that the bitch was inebriated.

"I shouldn't be so turned on by you," Petula slurred, leading me back to an intimate supply room. "Jeannie in human resources told me about your genital

warts." Gossip didn't stop Petula from jamming her tongue down my throat and unzipping my fly. I guess she wanted to see for herself.

Rather than try to hide the bumpy friends on my johnson, I proudly pulled out my wang and guided Petula's hand to the warts in question. She danced her fingertips across the rocky abrasions as if reading penile braille.

"Imagine what these growths will feel like inside you," I whispered as she jacked me off. "It's like a homegrown French tickler." Within seconds, my erection stood at full attention. Petula peeled off her trendy polyester pants.

She murmured, "I know what it's going to feel like. Jeannie told me you gave her the most incredible orgasm of her life." Silently, as we stood against the wall, Petula eased my unsheathed member inside her cooch. I couldn't believe my luck as that warm velvet swallowed my every inch. Natural nookie lube flowed over my abdomen; I reached down to tweak Petula's love button and came back soaking wet.

I was tempted to fuck Petula in a hurry, before she sobered up. However, I figured this boink should be enjoyed at a leisurely pace that allowed for maximum pleasure. After all, it was sure to be a

once-in-a-lifetime chance—especially when she fully realized I had just played venereal tag, and she was "it."

Our groins sizzled together, grinding in a sweaty ecstasy. Petula threw her head back and let loose with the kind of guttural sounds that only drunk chicks seem to make. At one moment she let her head fall too far and nearly sent the two of us tumbling. Luckily, I had an extremely firm grasp on her blue-ribbon caboose.

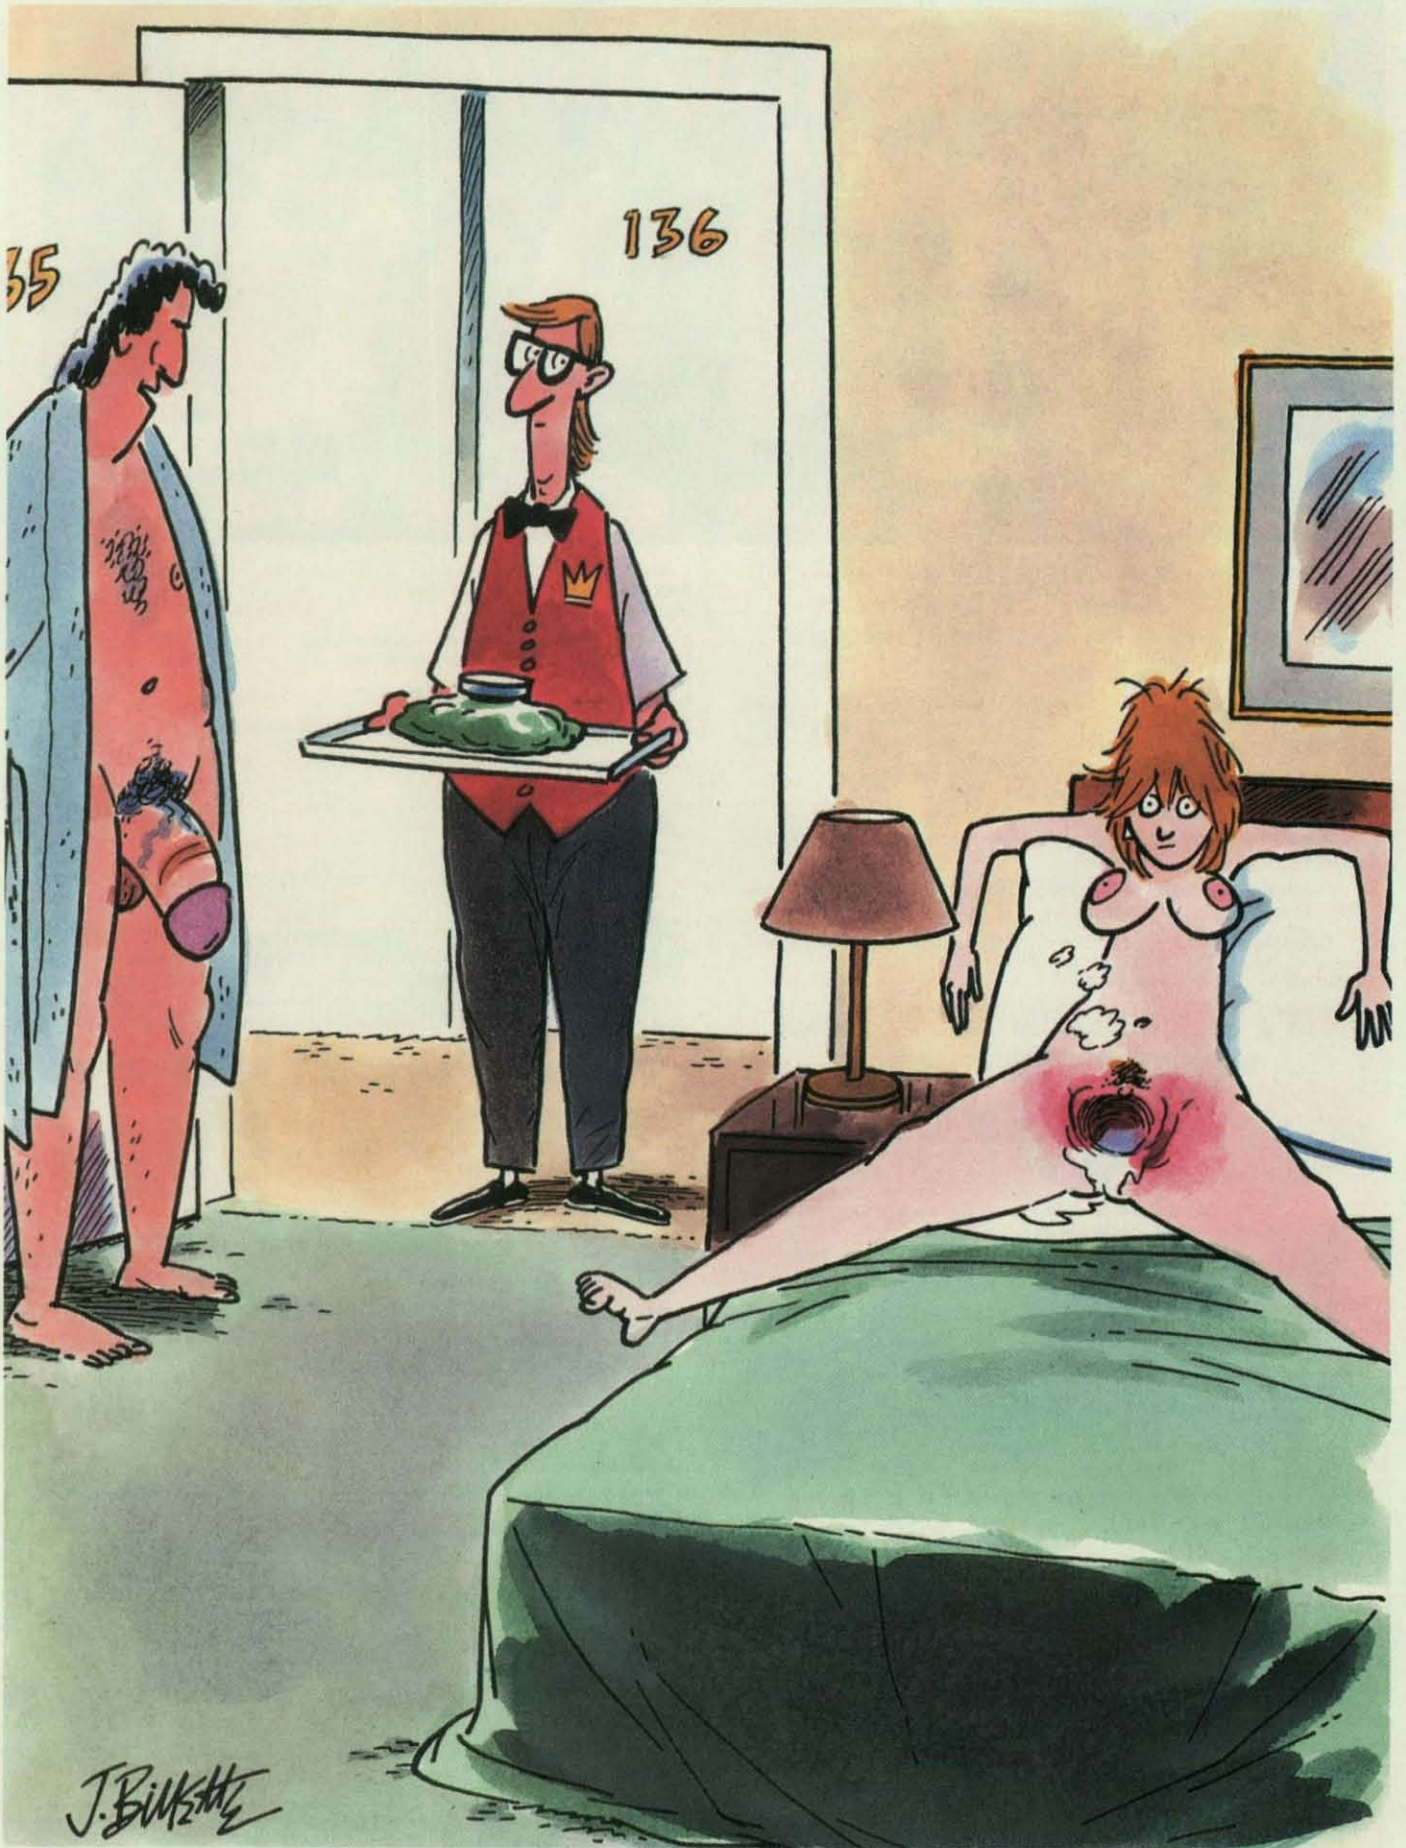

Pulsations quivered through Petula's canal. I pumped slowly, allowing my rough epidermis to drag along her womanhood at a turtle's pace. She got into the bump-and-grind routine in a big way; her kisses became so intense, I couldn't breathe. The effect reminded me of the time I tried autoasphyxiation after seeing a bunch of wankers on *Donahue*. Don't try to suffocate yourself while beating off, *HUSTLER* readers. Erotic suicide is about as arousing as Phil Donahue's puckered asshole. Speaking of the afterlife, Petula was turning damn near spiritual as she raced toward the fucking finish.

"Motherfucking Mary and Joseph," babbled the dick-drubbed lush, obviously reeling from the religious fervor of ingesting my infected crank. "I can feel those hard lumps brushing against my clit and chafing my walls. The friction is awesome! Will you come inside me? It's all right; I'm on the pill." Never one to turn down the request of a classy lady, I pushed Petula against the wall and plowed that sweet ginch with reckless abandon. Pretty soon Petula let loose with the horny histrionics, and the two of us screamed in ejaculatory bliss.

Petula purred, "That was great," then bent over to lick my dingdong clean! From head to base, the hungry trollop couldn't get enough. She took special care to nuzzle and tongue each eruption and blemish. What a woman! I might have married Petula if she had ever returned my calls.

A few weeks later, disturbing thoughts occurred to me. What if Petula was so willing to do me without a condom because she had AIDS, or worse? Maybe the whole thing was a revenge plot hatched by Jeannie in human resources. That tramp never forgave me for the time I ruined her hairdo with a malt blast on our lunch break. Unable to cope with the questions, I saw a doctor for the first time about my spotty tool. Guess what—turns out, I had nothing worse than a case of wiener acne! Maybe for the gift exchange, I'll give Paula some of those

OLD SAINT DICK

This is the first year my son, Sky, has been totally aware of Christmas. He just turned three and can't wait for Santa Claus to come down the chimney. How can I tell him the jolly guy in the red suit already came in my hot box?

Sky and I stood in the endless department-store line, waiting for the opportunity to sit on that bearded fucker's knee. We waited for hours before a midget in an elf costume whisked Sky away and toured him through Santa's Workshop. I moved forward to join the pint-size pair, but a menacing, African-American elf stopped me in my tracks.

"Pardon me, ma'am," he said with a grin that bared a few gold teeth and more that were simply yellow. "Only children are allowed in the workshop. While you're waiting, why not take a seat on Santa? He says you can pose for a Polaroid at no extra charge." I realized my provocative outfit had undoubtedly prompted the special offer. Although there were only six shopping days left until Christmas, the temperature was steamy enough for me to leave the house in my tightest pair of cut-off jeans. Add a tiny belly shirt to those revealing Daisy Dukes, and you've got a fashion recipe to land in someone's lap. It might as well be a fat, old fool who shakes when he laughs. I couldn't help wondering if he fucked like a bowlful of jelly too.

"Ho ho hoooo, my God," I heard Santa mutter as I eased between his legs and settled in to read my wish list. Wood had definitely popped beneath that oversized, black belt; through the stomach stuffing, I felt an angry boner poking at my bottom. The veiny candy cane felt like a whopper. I wiggled to properly determine the girth.

"My goodness," I cooed, wet excitement bubbling in my loins. "It feels like you've been a very bad boy this year." Careful to make sure none of the kids in line could see, I subtly reached for Santa's zipper and freed his north pole. Rock-hard cock brushed against my inner thigh. Somehow managing to keep the gargantuan python out of public view, I fondled the length until a dollop of pre-cum oozed from the tip. Talk about O Come All Ye Faithful! Santa leaned in close enough to my ear for me to feel his whiskers.

He raspiely intoned, "Yes, vagina, but

I've never done anything as naughty as stuffing this lump of coal in your stocking." The thonglike crotch of my shorts was pulled aside, and inch after inch of holiday cheer slid into my sex regions. I tried not to come visibly unglued in front of the mall customers who waited expectantly, which wasn't easy the moment Santa's gloved hand found its way to my cunt nubbin.

"Rub it, Santa," I quietly demanded. Although I couldn't rotate my abdomen the way I like to during a public pork, the size of Santa's gift was substantial enough to make up for the lack of motion. Subliminal spasms traveled between our privates. Mrs. Claus doesn't know how good she's got it! He must give it to that bitch until she's seeing red and green. The clockwise rotation he applied to my sugar plum was gentle enough to hypnotize, but rough enough to keep my tenders wide awake. A flurry of orgasmic electricity collected in the pit of my washboard stomach.

The line became visibly restless, and I heard a few shouts of, "Hurry up!" Santa was scheduled to play with my tits, however, before my nut could bust in such a tense situation. I threw my arms around his neck, pretending to give Santa an innocent hug while secretly rubbing my

nipples against his neck. Tingles made their way down my spine and to my overstuffed hole. I came suddenly in a satisfying shudder.

"Ho ho ho," Santa cried again, attempting to distract attention from the fact that his gourd was belching sperm into my sopping sluice. "Merry Christmas! Merry fuh—uhh, merry Christmas!" Sticky chum dribbled from my satiated sliver; I'm afraid a few drops splattered onto Santa's leg. I hope the crusty stains weren't too obvious on his red-felt trousers.

As Santa withdrew from my yoni grip, he patted my ass and intoned, "I don't expect to see any goddamn milk and cookies this year. You'd better be under that tree in a red-and-white nightie, face-down and with half a jar of Vaseline in your bung hole. Now tell one of my elves to bring on the next brat."

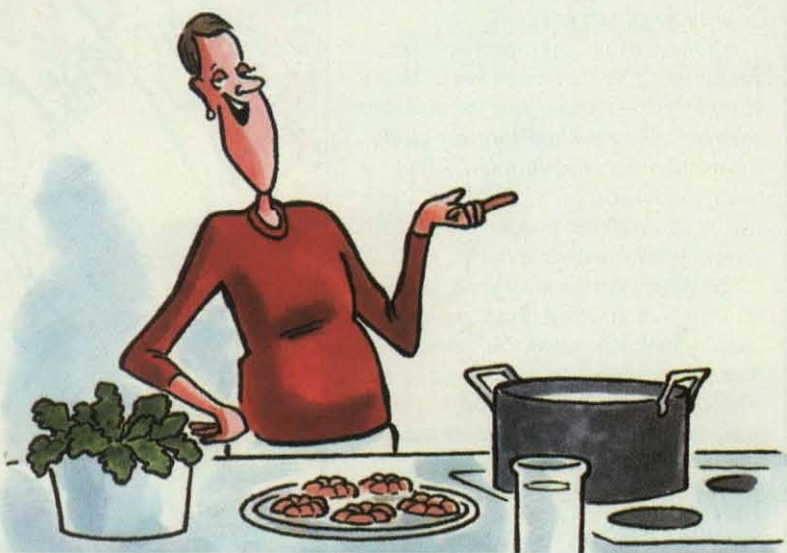

Sky was disappointed when I forbade him to sit on Santa's lap, but I had just washed his Osh Kosh jumper, and I didn't want it getting soiled and spermy.

Slippery Fucks

A Consumer's Guide to Personal Lubricants

BY DON VAUGHN • ILLUSTRATION BY THE PIZZ

"What a mind-blowing asshole," Jarvis marveled. Plowing his new girlfriend Trixie's slurpy snatch from behind, Jarvis could swear her pinkish-brown pucker flower was winking at him from the cleft between her quivering flesh fenders. All he had to do was shove his rigid johnson in through the out door, and Trixie's days of anal virginity would be over.

Jarvis gripped his straining porksicle and adjusted the angle for maximum penetration as the unsuspecting Trixie emitted gurgling sounds of fuck happiness.

"C'mon, honey," she murmured. "Stick that thing back in my pussy—what are you doing back there?"

Wild-eyed, Trixie reached back and yanked her ass cheeks apart. Though her gash was dripping natural love lube, Trixie's bung portal was bone-dry. Jarvis was not concerned. He reared back and plunged his fuck wand into her tight, beige rosette.

Trixie's sweaty body convulsed insanely on impact. Her head jerked back, and a shriek of horror erupted from her gaping mouth. "You fucking bastard!" she sputtered as Jarvis recoiled, taken aback.

"I'm sorry, baby," he whined. "I know you said you've never had it in your crap gutter, but I—"

"Oh, shut up, you moron," Trixie broke in. "I've had more cocks in my dump holster than you've had hot meals." She reached into the nightstand drawer and handed Jarvis a well-used tube of K-Y. "Don't you know enough to grease a lady up before you brown-slam her?"

Shamed, Jarvis slathered jelly on Trixie's wounded browneye and then—brokenhearted, but fixated on her poop chute—easily pumped his scrotum totem into her butt. Trixie gurgled contentedly as Jarvis made a mental note not to see her again.

He didn't like girls who lied.

Personal lubricants have always been the province of menopausal, desert-dry pussies, chronic masturba-

tors and gay men into anal sex. But in recent years, more straight couples are lubing up their lust sessions. Beginning in the 1970s, a vast array of slippery products spread like an oil slick through America, gradually upsetting the hegemony of K-Y Jelly, which had dominated the sales charts for six decades.

First marketed in 1910 as a topical salve, K-Y had oozed from America's bathrooms to its bedrooms—its greatest advantage being that it doesn't weaken latex condoms or diaphragms like petroleum-based products can.

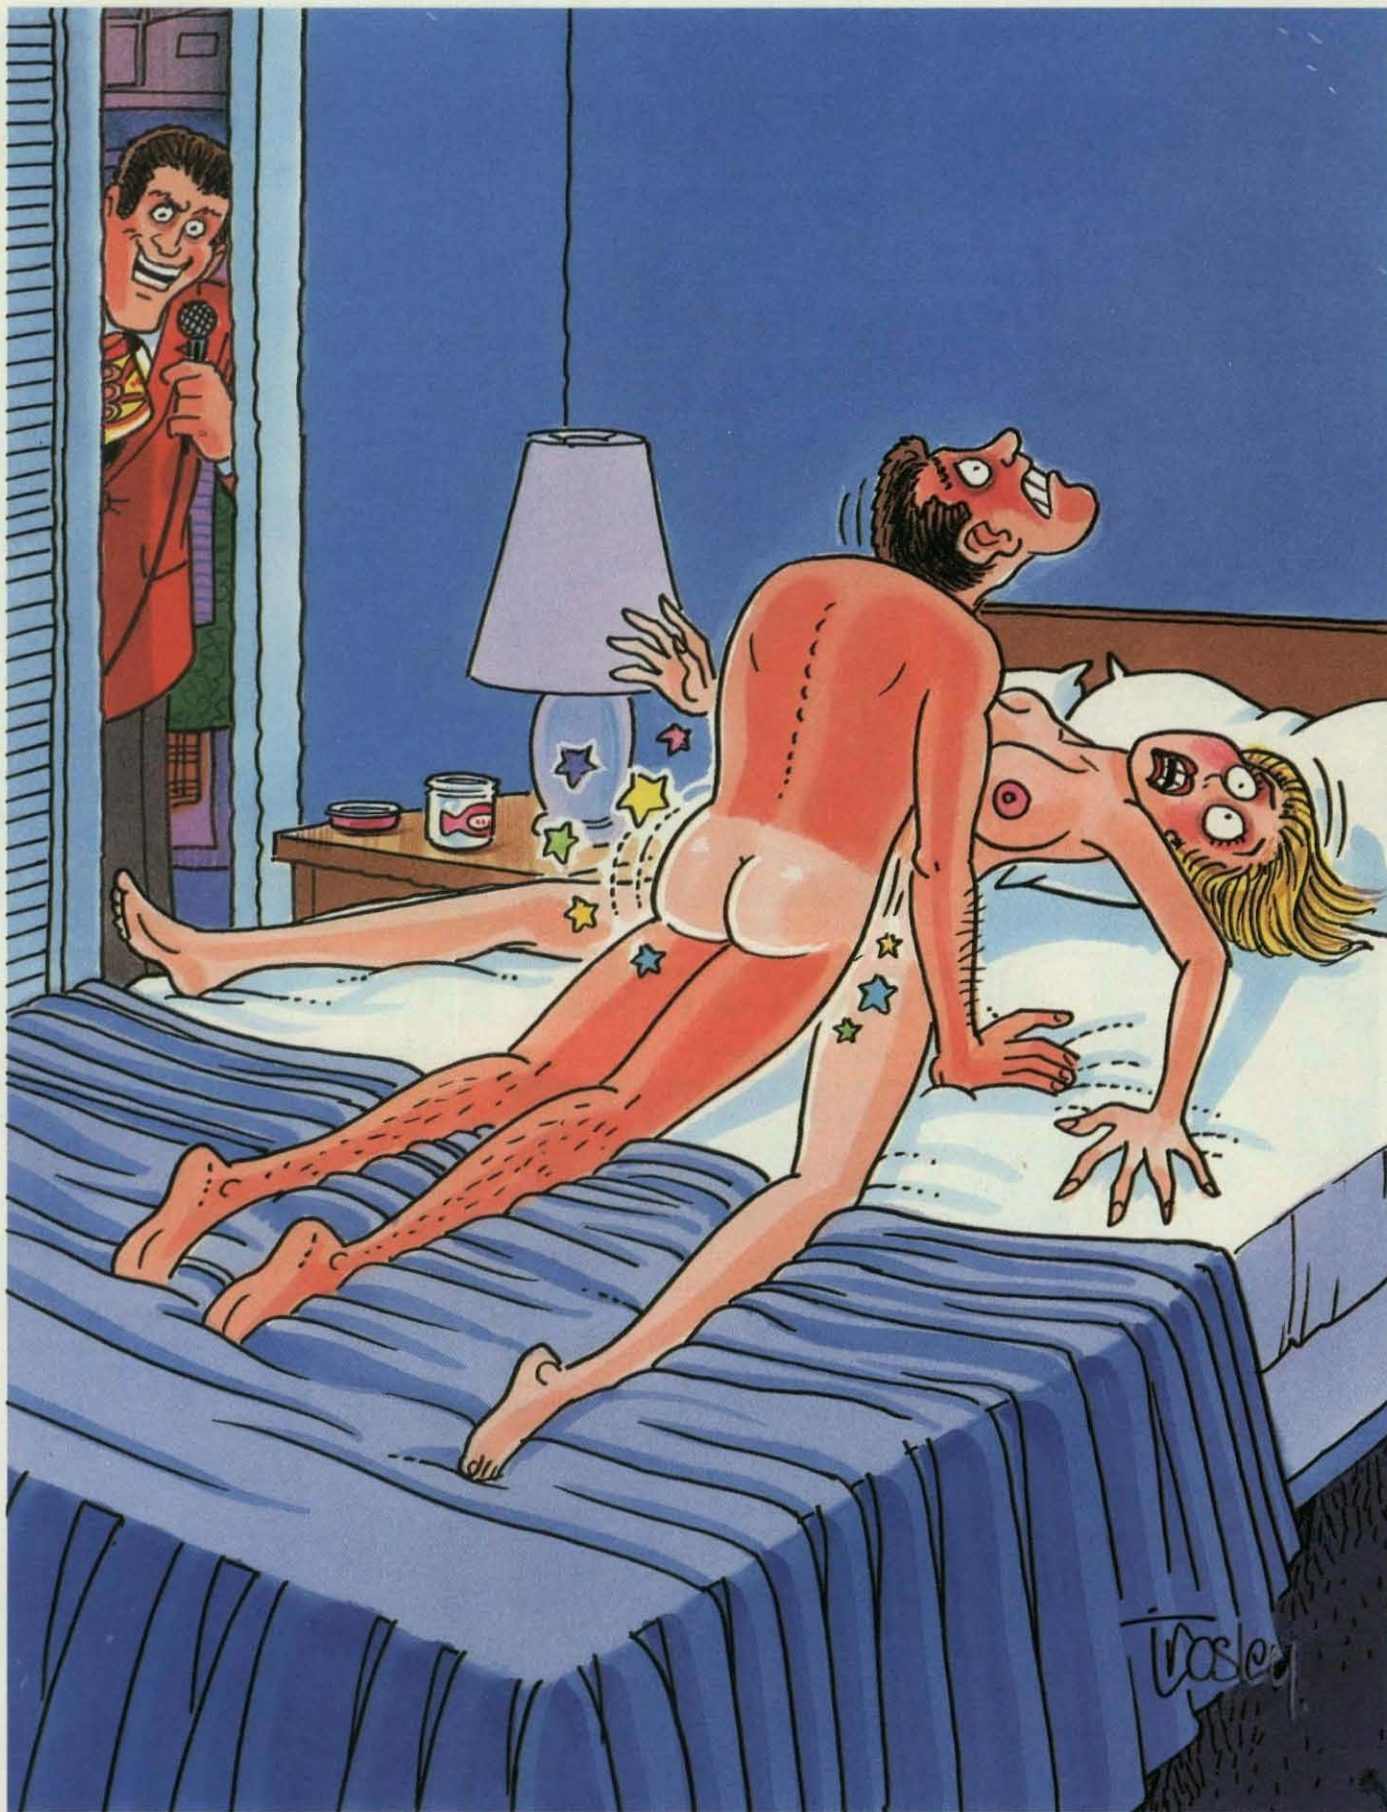

Though K-Y's maker, Consumer Products, Inc., played down the product's sexier side in its advertising, savvy companies were less squeamish. The 1970s saw liquid lubes, such as Elbow Grease and ForPlay, plundering the sex-boutique market, ultimately proving popular among both straights and gays.

A coupling of sex and science was behind the emergence of Astroglide, which, due to its unearthly slipperiness, is a current favorite among lubers. Astroglide was one of the first products of its kind to be available both in drugstore pharmacies and sex boutiques.

Astroglide's mastermind, aerospace chemist Daniel Wray, happened upon an extremely slippery polymeric material while working on the space shuttle. At the time of his discovery, a member of his family experienced severe discomfort during a medical exam when a lubricating gel failed to work as expected. Realizing the need for a better lubricant, Wray experimented with more than 300 formulations before coming up with Astroglide.

"The problem with past lubricants is that they weren't natural or user-friendly," notes Lisa O'Carroll,

*"We've switched the Hamiltons' love lube with freeze-dried coffee crystals.
Let's see if they can tell the difference...."*

Sex Play

In spite of the many offerings in the lubricant market, there remain primitive purists who stick to cooking oil, whipped cream or chocolate syrup to sweeten their sexplay. Honey is a perennial favorite.

marketing director for Biofilm Inc., makers of Astroglide. "Products like K-Y are sticky and dry up too fast. Astroglide is designed to stay slick to the end and mimic nature as closely as possible."

"Astroglide is amazing!" confirms 22-year-old Skyler, a pretty and pierced veterinary assistant. "My pussy is incredibly tender and delicate. I've had awful infections from some of the crappy lubes out there—but never with Astroglide. It's like my natural fluids."

"When we first started going out, my boyfriend, Nick, and I needed to use lubrication," Skyler confides. "I'd have trouble getting wet; so we'd scour the kitchen for anything greasy—Crisco, margarine, Pam cooking spray, whatever. One day Nick came home from his job at the zoo, four-pointed me to our bed and greased me down with Astroglide. He took a running dive from the opposite side of the room and literally tobogganed into my pussy at about 30 miles an hour!"

Astroglide's success did not go unnoticed. Following its emergence, the marketplace blossomed with long-lasting, water-based lubricants, including brands such as Wet and I-D. Competition became increasingly fierce. Not coincidentally, Consumer Products recently launched K-Y Liquid, which is "formulated to enhance the comfort and ease of intimate activity."

Most liquid lubes are fairly similar, with a few subtle differences. Glycerin is the primary lubricating element in most of them, with additional ingredients for greater slipperiness and silky texture.

Though Astroglide comes in only one form, Wet International markets an array of personal lubes, including Wet Original, Wet Light, Wet Platinum (which is silicone-based, so it stays slick in the shower or Jacuzzi) and the new Wet Fun Flavors, ranging from Kiwi Strawberry to Guava Pineapple.

"The biggest advantage to our products is that they stay slick longer than any other," boasts Michael Trygstad, president of Wet International. Trygstad claims that, "In an independent laboratory study, Wet Light stayed slick for 149 minutes. K-Y Jelly Personal Lubricant came in ninth place at 57 minutes."

Wet International isn't the only company producing flavored lubes. I-D Lubricating Gel, which comes in a variety of flavors, has developed a strong following of lube buffs who enjoy their sex both slick and savory.

"The flavored I-D lubricants are

absolutely fabulous," raves Ann Grogan, owner of Romantasy Boutique in San Francisco. "They're the only ones we'll sell. I'm offering the others two-for-one just to get them out of here."

During experimentation with a veritable cocktail of lube products, 26-year-old romance authoress Janine became a dedicated convert to butt-fucking.

"I always shied away from anal sex because I thought it would be painful," admits the petite blonde. "I was curious, though, and my husband, Cassius, nagged me incessantly to try it. So I did."

"Cassius tried to be gentle," Janine coos. "He nibbled at my clit a bit, then whipped me over onto my hands and knees. Once he started massaging my asshole with K-Y, I got so hot that he soon had four fingers in my rear!"

"Cassius then globbed some I-D strawberry goop around my asshole before he plunged into me. I sphincter-sucked his cock each time he pulled out. He came like a volcano and slurped at my strawberry flavored butthole in gratitude. Now I always do anal."

In spite of the many offerings in the lubricant market, there remain primitive purists who stick to cooking oil, whipped cream or chocolate syrup to sweeten their

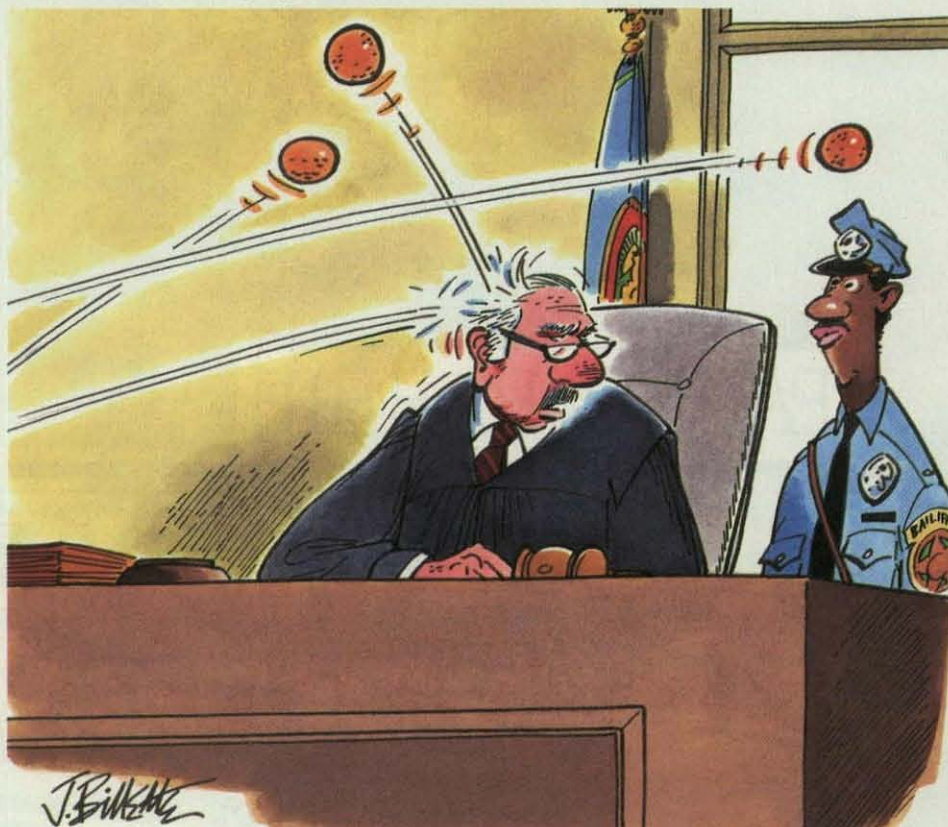

sexplay. Honey is a perennial favorite, but can evolve into a nightmarish glue if left on the skin too long.

Sally, a stunning and stacked lesbian kickboxing instructor, is now a committed olive-oiler owing to a combination of sex and honey that went awry.

"Once my girlfriend, Jaz, and I tried to use honey," says Sally. "We kept squirting it from those plastic bear bottles, and I think we got carried away—eating each other out and freaking on sugar all night. Anyway, when Jaz woke up, her pubic hair was glued to the sheet. I had to rip it off like a Band-aid. I know it hurt."

Though Sally's experimentation had unpleasant side effects, sex therapist Dr. Judy Seifer advises that the trial-and-error method is the most effective in discovering your ideal lube configuration. "Experiment with different products," she says. "And remember that less is more. Too much lubricant results in desensitization. If you use more than a quarter teaspoon to start and then lubricate naturally, that's overkill. Go sparingly—but enjoy the exploration!"

PAUL & BARBIE

ADVENTURES IN MOVING

PHOTOGRAPHY BY MATTI KLATT

After giving up on city living and her dead-beat boyfriend, Barbie called for a mover.

One look at Paul makes her rethink her decision to abandon men. Her love lube begins to ooze.

She catches Paul checking her out. Barbie realizes she isn't the only one with a heavy load.

"Do you think you can fit in one more box?" asks Barbie.

"Well, it looks pretty tight," Paul grins. "But I think I can make the squeeze."

Stripping off his coveralls, Paul slides his meat into her waiting maw.

Barbie squeals with delight, and Paul grunts, "Hasn't anyone ever told you that movers will pack your shit and take you for a ride?"

CATHOUSE TOUR BY SCOTT SMITH
PHOTOGRAPHY BY LADI VON JANSKY

A born-again slut visiting Jesus in Vegas? A lovelorn chippie waiting for the right part in a snuff film? A whorehouse owner who trusts his girls and greets every customer at the door? These characters can only be found on a parcel of Nevada desert scrub doing business as Dennis Hof's Moonlight Bunnyranch.

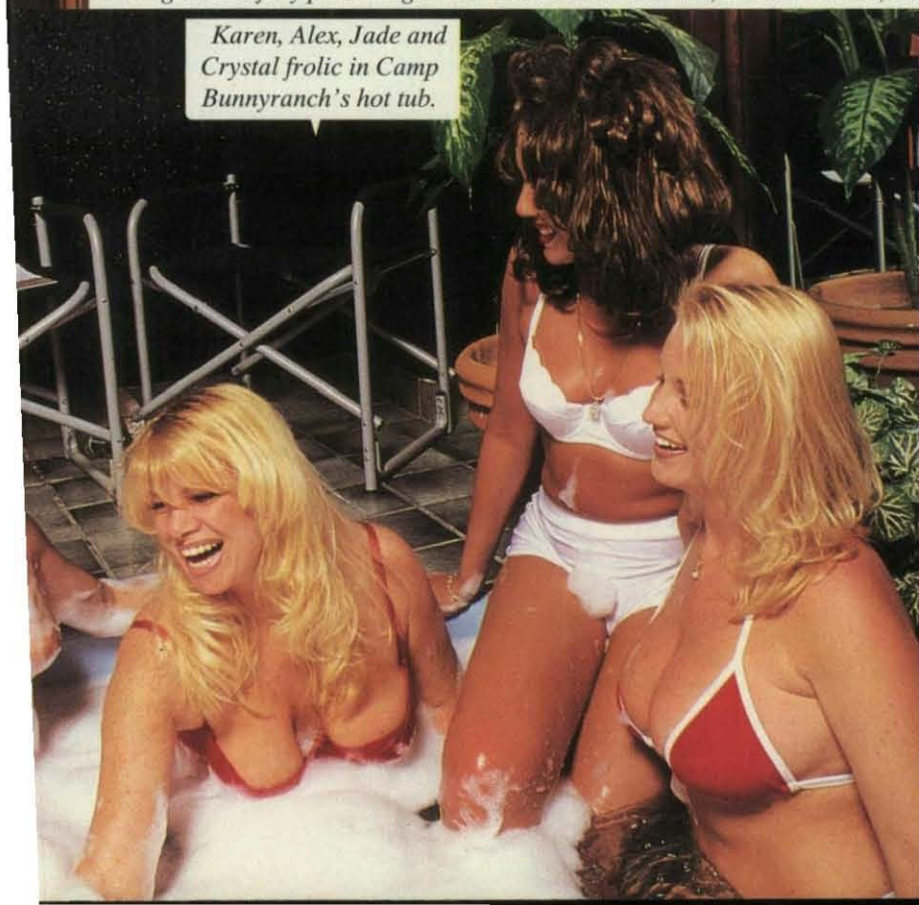

Having successfully passed a gauntlet that includes Caressa, Rio and Dallas, this lucky guy is about to do some body shots with Laina.

Karen, Alex, Jade and Crystal frolic in Camp Bunnyranch's hot tub.

Laina sports the height of working-girl fashion and little else.

Bunnyranch

"If some average joe wants to party with two girls and watch them suck each other's pussy, he looks at his wife and thinks, *She'd never do this*. We're here to help those guys out."

Nick looks up at a pair of suntanned tits bouncing wildly in his face. The girl grinds down on him again. Over her shoulders and through the tent flap, twinkling light from a starry sky seems a million miles away.

Suddenly, she freezes as an ethereal voice breaks in: "Jade, your time is up. Perhaps your friend would like to stay with us a little longer..."

With a quiet hum, fluorescent lights kick on, and the luminescent stars fade into the background of a wood-paneled room. Jade shifts so that her mouth is in position to influence Nick's decision.

Nick looks down at the raven-black mane framing ruby-red lips that enthusiastically bob on his cock. What the hell, he thinks, grinning like a fresh-fucked fool. It's only money.

By local ordinance, the signs leading to the Moonlight Bunnyranch are not showy or gaudy, giving no hint to what pleasures are in store. They lead off the highway, down a dirt road and through a semi-abandoned industrial area. There, surrounded by a ten-foot-high chain-link fence with electric gates, lies one of the only fully licensed brothel/bars in northern Nevada: the Moonlight Bunnyranch.

"This state is notorious for running

what we call 'trick and travel' houses: Get in, get it up, get off, get out," explains Dennis Hof, a former real-estate developer turned owner and operator of the Bunnyranch. "But we don't operate that way; we have a much friendlier atmosphere. It's more like meeting in a cocktail lounge or disco."

Hof is a large, friendly man with a maniacal twinkle in his eye that suggests years spent staring down the business end of a loaded martini.

After purchasing the Bunnyranch land five years ago from a Palm Springs, California, retiree, Hof immediately embarked upon a half-million-dollar property renovation. "I've implemented the most up-and-coming, state-of-the-art brothel techniques and procedures," he explains.

The 20-acre parcel of desert now includes a corral with horses and a trainer. Working ladies who wish to can learn horseback riding in their free time.

Men come from all over the West to partake of Hof's goodies. Prospective johns, from truckers and soldiers to weekend gamblers and traveling salesmen, ring the doorbell, receive a once-over from the hostess and are buzzed inside. As their eyes adjust from the glare of the desert to the softly lit

Bunnyranch lounge area, clients find themselves surrounded by smiling, friendly women in lingerie and high heels. The ladies are quick to offer a refreshing cocktail from the Bunnybar.

"We're providing a needed service here," states Hof. "If some average joe wants to party with two girls and watch them suck each other's pussy, he looks at his wife and thinks, *She's too nice* or *She's the mother of my children*; she'd never do this. We're here to help those guys out."

In a typical Nevada brothel, a patron walks in and makes his choice from a female lineup. This process not only puts a great deal of pressure on the client to make a decision, but is responsible for pissing off the frail sisters who are passed over many times a day. "A girl stands in a lineup 40 or 50 times a day and risks not being picked," Hof notes with sympathy. "That's a lot of rejection to deal with!"

At his own love shack, Hof is personally on hand to welcome each guest. After introductions are made, the cowpokes are given a souvenir menu describing the sexual options available to them. Painstaking efforts are made to make sure the prospective marks feel welcome and desired.

Another of the old cathouse-parlor standards, the jukebox, is conspicuously missing from the Bunnyranch.

"They're too seedy for the sensual atmosphere we're trying to create," Hof says, explaining why he had the lo-fi system removed.

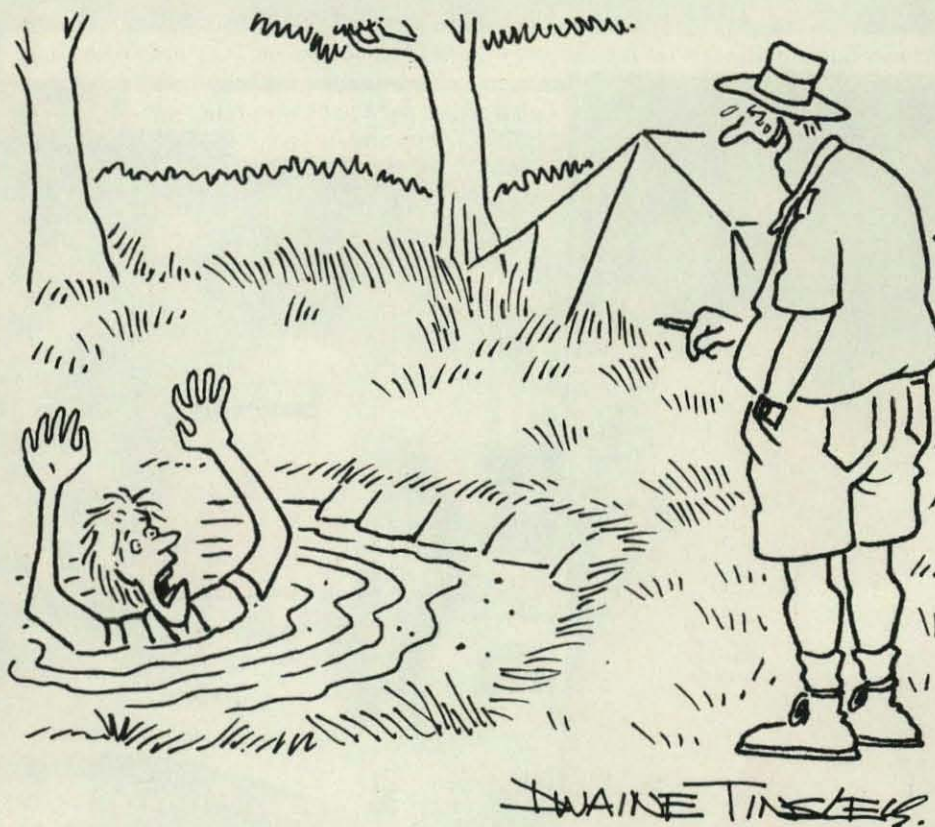

"A typical scenario has a client walking into some brothel, and the first thing he knows, some girl walks up and asks him for money for the jukebox." Hof asserts that jukeboxes can do irreparable damage to the necessary element of fantasy.

"It's never the best-looking girl," he continues. "It's always the *worst*-looking girl. This gives the guy a bad taste in his mouth right from the beginning. He feels like he's being hustled."

The problem is compounded by hookers' notoriously poor choice in tunes. "The girls always play music that the guy doesn't like to hear," Hof laments. "She'll play cowboy music for the blacks. She'll play black music for the cowboys." In place of the jukebox, Hof installed a sound system playing commercial-free music 24 hours a day.

Jeanine, a former 911 operator turned lady of the evening, morning and afternoon, explains the process of picking and "partying" with a girl: "Once the lust

TICKLING the IVORIES

PHOTOGRAPHY BY CLIVE McLEAN

Gretchen's not a musician, but her errant boyfriend is.

"He hardly ever pays me any attention. I have to beg him to make love to me.

"If he had to choose between forever playing the piano or playing my little pink instrument, I don't know what his choice would be.

"Which would you choose?"

connection is made, the girl will take her client back to her room or one of the fantasy rooms, if he prefers."

The Bunnyranch is set up like a dormitory, housed in a long, white, one-story building. All of the rooms are situated on one of two hallways, both of which lead to the Bunnybar lounge. The girls' proximity to the cathouse cantina is based on their client turnover; the more business they get, the closer they are to the all-important booze.

The interior of the rooms at the Bunnyranch have mirrored walls and ceilings and come with cable TV, VCRs, porn flicks, CD players, even cassette players.

"One of the old myths in the brothel industry is that you can't give the girls nice rooms, or they'll tear 'em up," Hof scoffs. The well-manicured ranch, albeit a well-manicured sex ranch, shows he has successfully debunked the wives' tale. "Instead of the seamy motel rooms you see elsewhere, all of our rooms are designer decorated. I've also put in dual fantasy rooms."

Camp Bunnyranch is one of the specially built cells—a fabulous fuck cabin with a Jacuzzi, tent, black lights and fluorescent stars covering the walls and ceiling.

The indoor campsite is a lot like roughing it, only the camper is under a roof, having sex with a hooker. Hof sums up his ideal goal of the indoor campground: "The sensory experience is key. It's the sound. It's the smell. It's *not* just fucking."

The other fantasy room is a bondage facility designed by one of Europe's top dominatrixes. It features a stockade, spanking bench, bondage table and an enormous wooden crucifix attached to the wall. The modern dungeon also boasts an impressive cross-dressing wardrobe for the guy who craves a transvestite fix now and again.

"It's for the men who want to explore their feminine side," Hof says, doing his best to put the dress fetish into perspective. "The Bunnyranch provides photo and makeup-instructional sessions. We'll also teach you how to care for your wigs, how to wear your pantyhose and how to accentuate your features to wear your feminine clothes in the nicest manner."

Once a price for services and time limit are negotiated, the schlubs are expected to drop trou for a pecker inspection. If the girl encounters any lesions, peculiar odors or discharges, the dirty bird is shown the door. The visual once-over is followed by a quick alcohol

wipe down which reveals any problems not apparent to the naked eye.

Safe sex is a priority for the health of the women, the clients and the business. It is not taken lightly. The trulls are tested for HIV every 30 days; weekly for chlamydia, syphilis and gonorrhea.

The business arrangement at the Bunnyranch is unique, with the tart ranchers acting as independent contractors, therefore setting their own prices and standards. "Half and half"—half blowjob, half intercourse—will run anywhere from \$100 to \$250, depending on the girl and the customer's attitude. A straight screw is cheaper.

Before fucking commences, the marks pay for their selection's services, and she books the money at the front desk. Payment can be made with cash, VISA, Mastercard and ATM cards. In the interest of discretion, credit-card slips simply show as a cash advance made in the Reno/Lake Tahoe area. When the harlot returns, it's on to the main event.

At the end of a debauchee's allotted time, Miss Suzette, the house madam responsible for keeping the machinery of this den of vice running smoothly, buzzes on the intercom and lets the meretrix know it's time to either wrap up or renegotiate. The listening devices are in place for the girls' safety as much as for convenience.

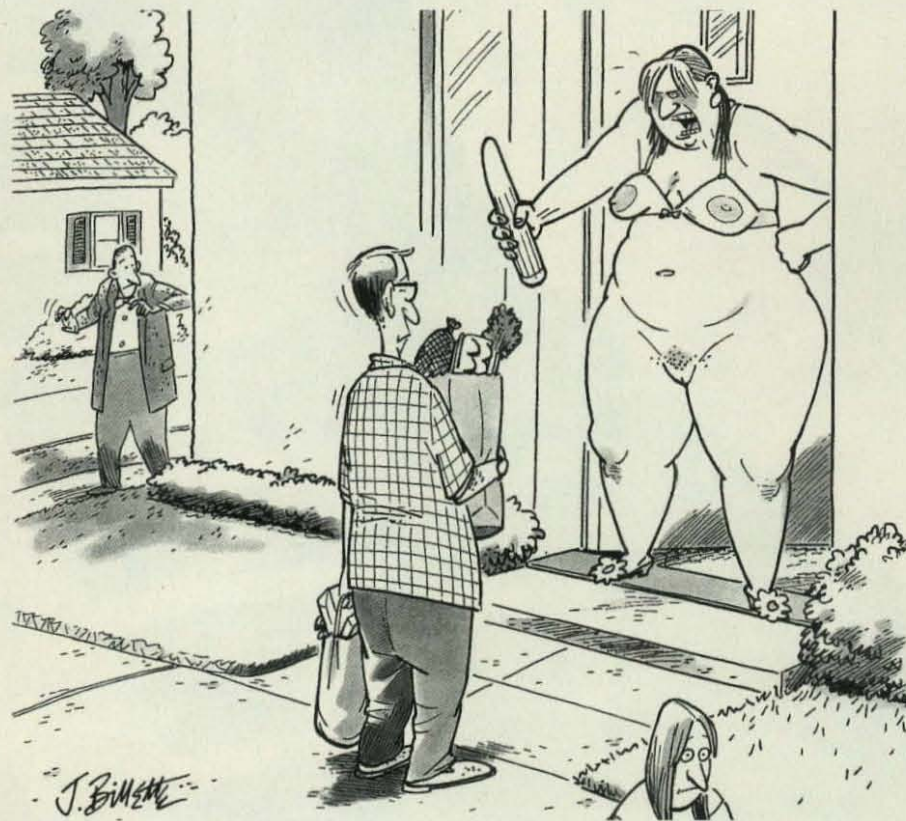

"When a client goes to the room, the working girl/client conversation is audio-monitored from the office," offers Miss Suzette. "We're watching for the men's attitudes. Sometimes in the parlor, a guy's a perfect gentleman, but inside the room he may want to get overly aggressive or nasty."

"We have no tolerance for drugs in the house," lectures Hof, explaining how the Bunnyranch's monitoring system also helps maintain the bordello's vigilant zero-tolerance policy, "for the girls or the clients. We don't want anybody to try and trade drugs for sex."

"If the client has a bad attitude or discusses drugs at all, the cashier will break into the conversation on the intercom and ask them to leave the girl's room, and he will be escorted off the premises."

With all this money changing hands, and the abundance of \$3 to \$4 cocktails, security issues would seem to be a major concern. Hof dismisses the idea with a snort.

"We don't need bouncers," he says. "Other ranches in Nevada have armed bodyguards, guard towers, etc. We don't want it. If a girl comes up and says, 'You've had too much to drink. Calm down there, buddy,' the worst thing

"Did you remember my goddamn batteries?!!"

"If you don't mind, I'll just call it a night...I came in my pants while I was looking up your skirt on the elevator."

Bunnyranch

"Alex can suck cock better than anybody, or at least that's what I'm told. She's the highest-paid hooker in the industry without giving up any pussy."

that's gonna happen is some guy's gonna say, 'Oh, fuck you, you bitch.'"

At this juncture, the Bunnyranch has the advantage of standing on the right side of the law. "All the girl's gonna say is, 'Oh, be nice, 'cause I don't want you to have to end up in jail tonight,' and that's usually the end of it," states Hof. "In the five years that we've owned the Bunnyranch, there has not been one altercation."

Another part of the reason physical violence is rarely a concern can be explained by the large percentage of return visitors.

"Regular customers tend to pick out one of the girls and only party with her," explains Jeanine. "When I went on vacation for a week, one of my regulars came in and partied with one of the other girls. When I got back, he apologized and begged forgiveness for not waiting for me. It's like they'll cheat on their wife, but not on their mistress."

The selection of women at the Bunnyranch is varied. There is a discrepancy in both the attractiveness and sanity of the strumpets.

One of the more popular chippies, Dallas, is a gregarious woman with a platinum wig and piercing blue eyes. She's been a pro for 21 years, the last six

at the Bunnyranch. Born-again hard, Dallas runs the Christian Outreach Ministry T-shirt Company out of Florida. Her motto: "If you always do it missionary style, you'll never be a missionary." She also claims Jesus approves of her occupation—or at least that was the case the last time she saw him in Vegas. Dallas offered no word on how God's Son fared with the slot machines.

On the lower end of the scale is an emaciated blonde with an admitted taste for S&M. She explains that while the Bunnyranch is okay, she's considering appearing in a snuff film. Her "master" will be paid \$1.2 million for her role as the snuffee, an arrangement that seems perfectly equitable to her. "I don't care about dyin'," the blonde rationalizes, "as long as my master gets taken care of. I'll probably do it."

A saner ranch regular, Alex, has a sharp wit and deadly cool that can be described as unnerving. She runs two small businesses on the East Coast and only flies out to the Ranch when she needs a cash infusion to pay property taxes or go on a shopping spree.

"If you want a good blowjob, come see Alex," Hof beams. "Alex can suck cock better than anybody, or at least that's what I'm told. She's the highest-

paid hooker in the industry without giving up any pussy. A local advertising guy was just here, sold us an ad, then spent \$800 with her."

Talk of big money is a popular pastime at the bawdy house. All of the girls relate apocryphal tales of wild spending by excited customers; most of the yarns start with a big night at the card tables. "One guy dropped almost \$18,000 in a few hours after winning big in Reno," Alex recalls. "He had ten girls in the Jacuzzi room all night!"

On the weekend, when clip joints are at their busiest, the Bunnyranch hosts 20 ladies for customers to choose from. "From a consumer's perspective, you probably get a little better value on a Thursday night," Hof advises. "The house is full, because it's the doctor's night. The girls are all getting checked out, and we're not overly busy."

While everyone at the ranch offers their own theory on the popularity of prostitution, Hof is succinct about his whorehouse's success: "The reason guys come to the Bunnyranch is simple: They want to have fun. They don't have fun with their wives anymore. They love their wives or girlfriends, but they don't have much fun. They want to fuck, suck and get crazy. They want to do things that their wife or girlfriend might not want to do, or they don't have the nerve to ask her."

Jade, a brown-skinned beauty from New York, has her own philosophy about prostitution. The dude-ranch hussy warns married women that their husbands need to sneak a little on the side once in a while.

"If the woman won't leave him alone to do his business, if she's being all tight-fisted, that's how women lose men," Jade expounds. "Don't worry about us takin' your man, honey. We're gonna send 'em right back to you as soon as their money runs out."

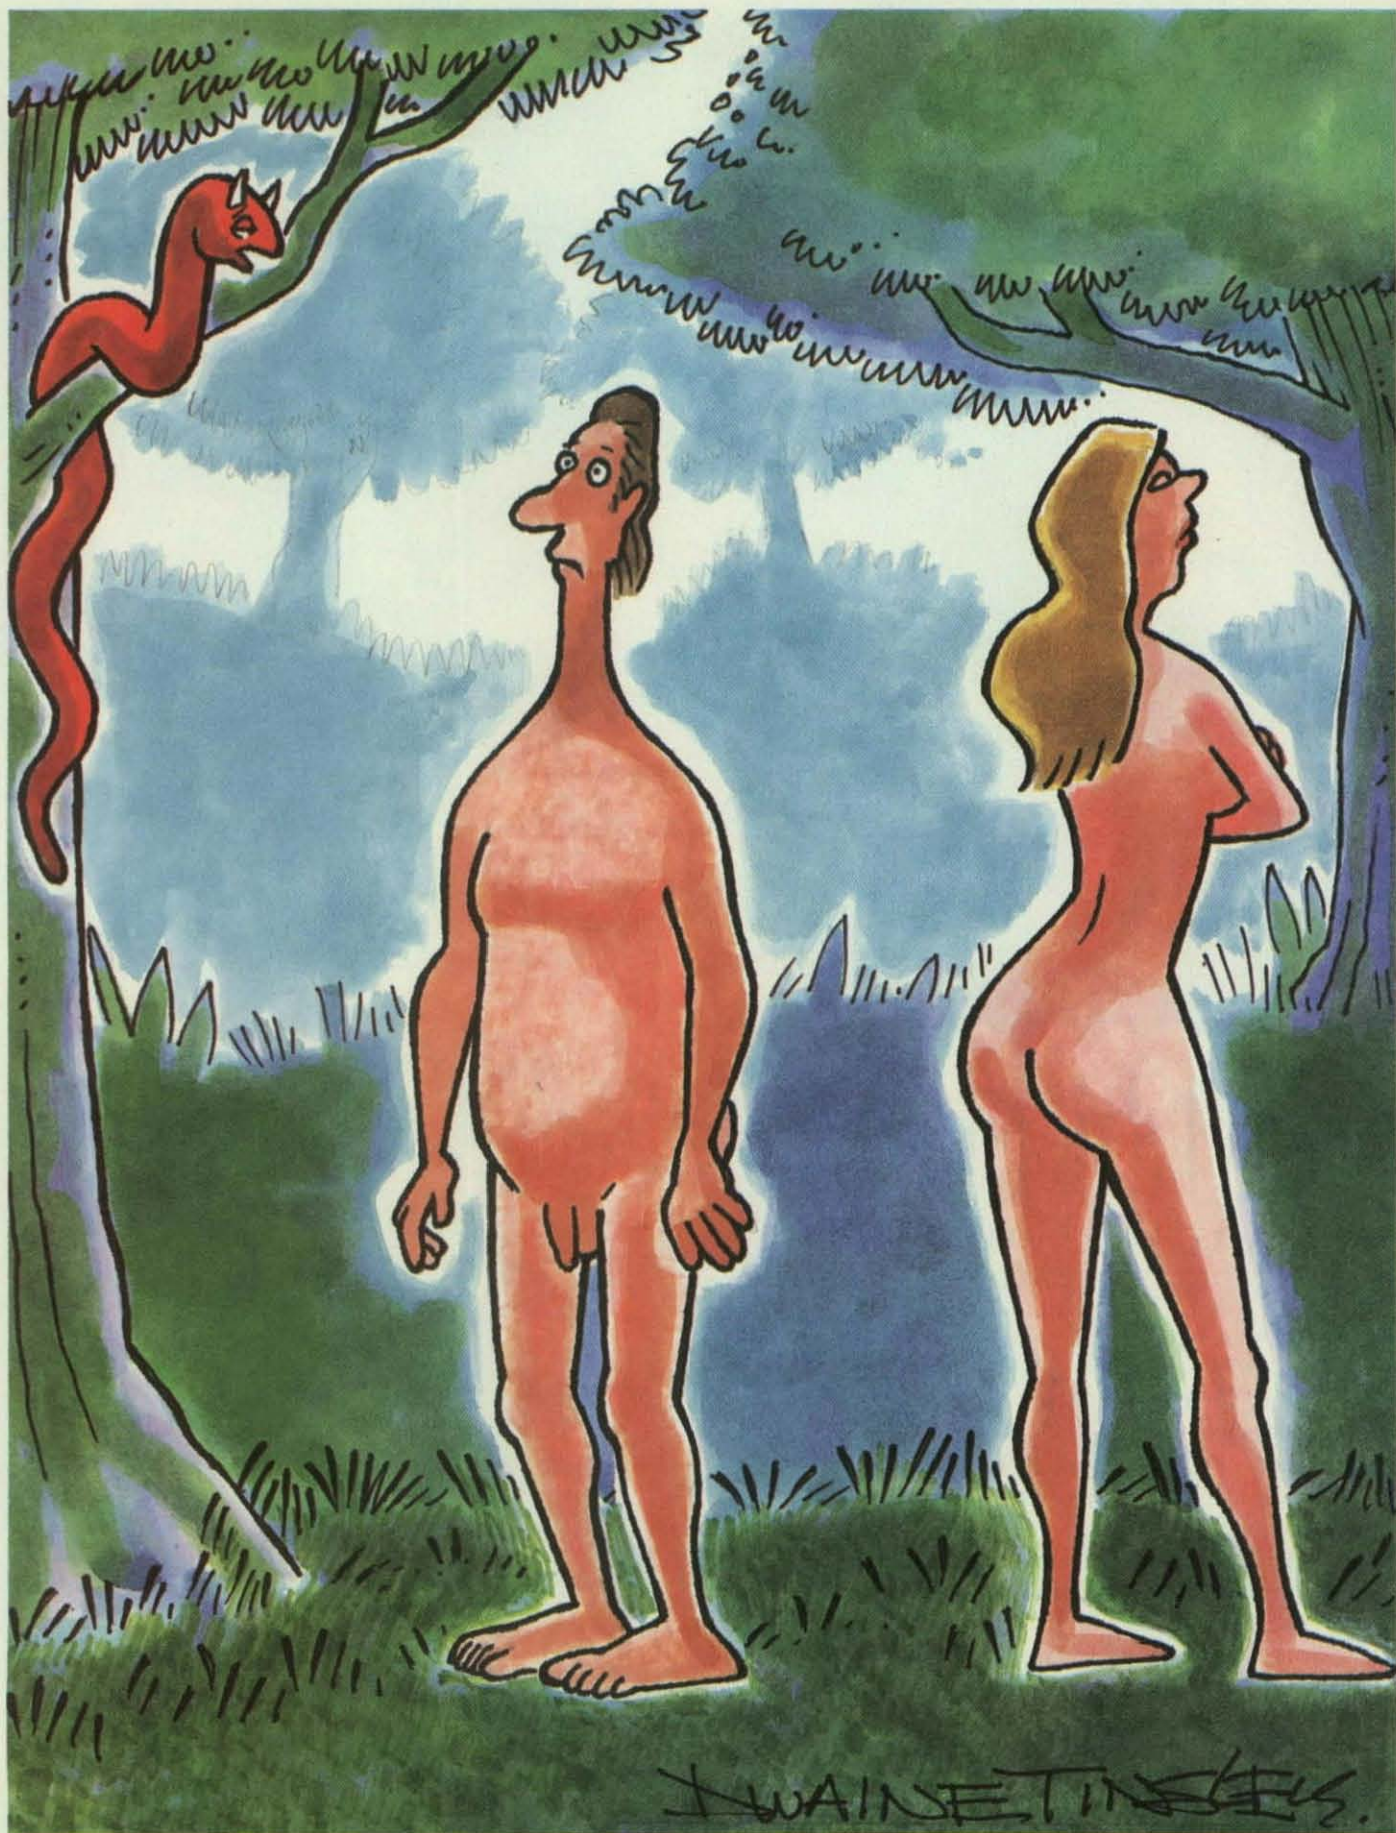

Hof has no plans to leave the brothel business anytime soon. He still dabbles in real estate and is a frequent traveler. His heart, however, seems to have grown sappy roots in the desert scrublands of northern Nevada.

"The world loves pussy, and we've got it all," Hof smiles and points to the Bunnyranch. "Whatever a guy wants, he can get it here. If he wants an 18-year-old with a body of death or a 50-year-old that's nasty and built real nice, he can have her here. He can have anything he wants: tall, short, black, white, thin, fat. It's all here at the Moonlight Bunnyranch."

To contact the Moonlight Bunnyranch, call 888-286-6972.

"Sir, I don't think getting your foot stuck in your wife's pussy qualifies as an emergency."

"She won't fuck, huh? You thought about offering her money?"

Every day Anna returns to the beach where she first saw him.

He watched from a yacht as she lay there, slowly bronzing.

Emboldened by the distance to his boat, Anna teased and tempted him with a show of her honey-dripping conch.

A day later, his boat was moored in the shallows, and he'd brought binoculars.

Slow strokes, coupled with intense bursts of insertion, soon had her admirer touching himself.

Anna likes watching him, but aches for more. She hopes the next gobs of tribute he offers up to her beauty will land on her tongue and not on his deck.

Perhaps tomorrow, Anna thinks wistfully, he'll come ashore.

At the end of a job interview, the human-resources director asked the new MBA graduate what salary he would expect if he were hired.

"Perhaps in the neighborhood of \$150,000, depending on the quality of the benefits package," the applicant responded with confidence.

"What would you say," the HR director proposed, "to a benefits package containing seven weeks paid vacation, 14 paid holidays, full medical and dental, a retirement fund with 50% company match and a company car—say, a 1997 blue BMW convertible?"

The grad sat up, mouth agape, and stammered, "Are you kidding?"

"Hell, yes," the HR director replied, "but you started it."

Question: What did Ellen DeGeneres say to Kathie Lee Gifford?

Answer: May I be Frank with you?

A year after Charlie's death, his widow conjured him up at a séance with the help of a medium.

"Are you happy now?" she asked him.

"Very," was the ghostly reply.

"Happier than you were on Earth with me?" she asked.

"Much happier," her late husband answered.

"Tell me, Charlie," she implored, "what's it like in heaven?"

"Well," Charlie said, "I hear it's overrated."

The HUSTLER Dictionary defines *duct tape* as: West Virginia chrome.

A man rushed into his house and yelled to his wife, "Martha! Pack up your things! I just won the California lottery!"

"Shall I pack for warm weather or cold?" she asked.

The man responded, "I don't care. Just so long as you're out of the house by midnight!"

Mr. Wilson, the postman, delivered the mail reliably for six years. After that time, he knew what to expect from the people on his route in the way of Christmas presents. The Smiths would leave him a bottle of wine. The Donahues would leave him \$20. Year after year, however, one family, the Jacksons, would never leave him anything.

One Christmas, after he delivered the Jacksons' mail, Mr. Wilson was surprised to hear Mrs. Jackson, wearing a very sexy outfit, call him back to the house.

She invited him inside, served him a wonderful lunch, watched him eat, then led him upstairs and fucked his brains out.

After they finished, she led him to the door and handed him a dollar.

Wilson said, "Mrs. Jackson, I'm not complaining, but for the past six years at Christmas, you always forgot me. How come you've given me such wonderful treatment this year?"

"Well," replied Mrs. Jackson, "I felt bad that we never seem to remember you at Christmas. So this year I asked my husband what he thought we should do. He said, 'Fuck him. Give him a buck.' Lunch was my idea."

Question: What does a girl from Tennessee say during sex?

Answer: "Get off me, Pa! You're crushin' my smokes."

Three blondes were stranded on an island when they came across a magic lamp. They rubbed the old lamp, and a genie appeared and offered each of the women one wish.

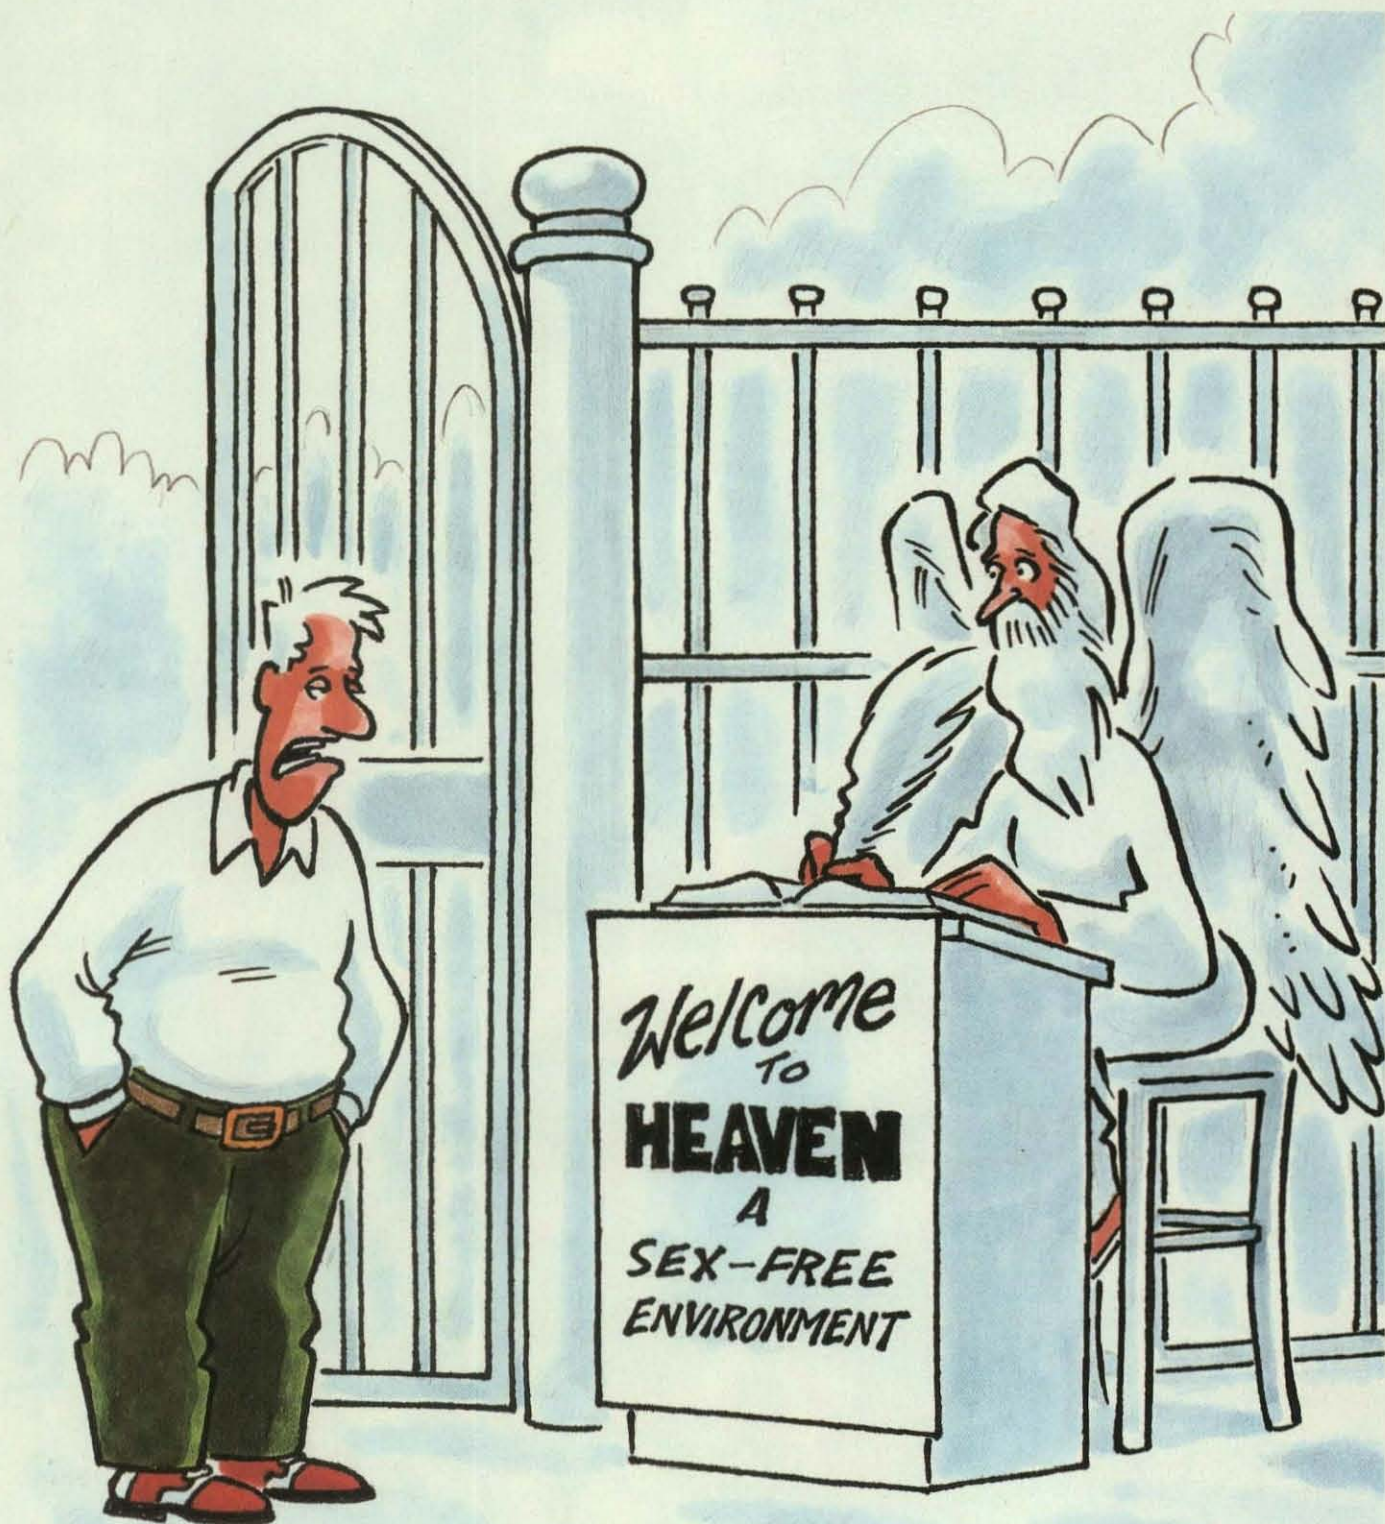

The first blonde asked to be intelligent enough to get off the island.

The genie made her a redhead, and she swam off the island.

The second blonde asked to be even more intelligent than the first one; so the genie turned her into a black-haired woman, and she built a boat and sailed off the island.

The third blonde asked the genie to make her even more intelligent than the previous two. She was turned into a man and walked across the bridge.

FALSE INNOCENTS

HOW LYING CHILDREN ARE USED TO RAPE THE SORRY ADULTS ACCUSED OF FUCKING THEM

INVESTIGATIVE REPORT BY SEAN WILSON
AND SAMANTHA FERRIS

ILLUSTRATION BY ERIC WHITE

Child molestation is an aberration so heinous that even hardened murderers blanch at it. Yet there rages in America a villainy more devious than short-eyed offenders. Twisted adults are manipulating impressionable children into telling make-believe stories of pretend sex crimes, destroying real lives with prison and suicide.

Witch-Hunt

Two girls accused more than 60 Wenatchee residents of bizarre sex crimes committed in ritualistic orgies hosted in local homes by the Circle—a sinister sex ring.

In early February 1995, the spirit of the 17th-century Salem witch trials swooped down upon Wenatchee, Washington, a deeply conservative town in the Cascade Mountain foothills, dotted with farm houses and apple orchards. That spring, Wenatchee came under an inquisition, based on shocking allegations by two emotionally disturbed girls, of town-wide sex abuse.

Two girls, 11 and 12 years old, originally identified in court documents as M. E. and D. E., ultimately accused more than 60 Wenatchee residents of bizarre sex crimes committed in ritualistic orgies hosted in local homes by the Circle—a sinister sex ring whose members wore black clothes and dark sunglasses.

Eighteen of the accused are now serving long prison terms. Recent events, including a complete recanting of testimony by one of the girls and a newly launched state investigation of Wenatchee's police department and Child Protection Services [CPS], raise doubts about who should be locked up.

Wenatchee is the most sensational in a nationwide string of child-sex-abuse scandals starting in 1983 with the notorious McMartin preschool debacle in Manhattan Beach, California. These cases share several similarities: incredi-

ble accusations from multiple young children, a lack of physical evidence to support those accusations and highly questionable interview tactics by police detectives and social workers.

Referring to the blind, cruel justice in Wenatchee, one U.S. Justice Department attorney, who spoke on condition of anonymity, says, "Innocent people are being railroaded. If the American people knew how the police and government handle these cases, they'd demand abolition of the entire system to start over. There are many valid cases of child abuse. You read about children being molested and murdered by pedophiles, and it's horrible. But we're diverting resources and publicity from those real cases in favor of all these bizarre phony ones."

The Wenatchee travesty began in early 1994. Two sisters, M. E. and D. E., suddenly accused their birth parents, Harold and Idela Everett, of sexual abuse. The girls didn't have to look far to file their allegations—their foster father, Robert Perez, was Wenatchee's only sex-crimes cop.

Blond, big-gutted Perez was a former street cop with 15 years on the force. He had a history of domestic trouble and a reputation for power-tripping. Superiors

described Perez as "obsessive and arrogant" in a dismal 1989 performance review and commented that he enjoyed "picking out people and targeting them." In January 1994, Perez was promoted to a position as the sole sex-crimes detective in Wenatchee's police department.

Perez arrested his foster daughters' natural parents, Harold and Idela Everett, and charged the couple with multiple sex crimes. In the following weeks, Perez publicly announced that his foster daughters had been victimized by a group of Wenatchee sex criminals called the Circle. Perez enlisted several agents in the local CPS office, who were also his personal friends, and embarked on a witch-hunt.

The girls accused more than 60 Wenatchee denizens of sex crimes in the following 18 months. Many of the sisters' victims were arrested, despite a complete lack of physical evidence. During one Sunday drive through the poorest section of town, D. E. and M. E. rode along with Perez and two state CPS agents, scanning the streets, eventually pointing out 22 people that they claimed abused them in various Wenatchee "orgy" houses.

The town's cabdriver passed in the opposite direction, smiling and waving hello. "He abused us too," the girls told Perez and the CPS agents.

Perez refused to be quoted for this article. In November 1995, in the only in-depth interview he gave regarding the allegations, Perez informed a *Seattle Times* reporter that the appalling events in his town simply reflected the country at large.

"Anybody naive enough to think Wenatchee is the only place this sort of thing happens is in for a shock," stated Perez. "I'd love to think this is a bunch of baloney, but there are people all across the country doing the same disgusting things to their children. All anybody has to do is ask the right question."

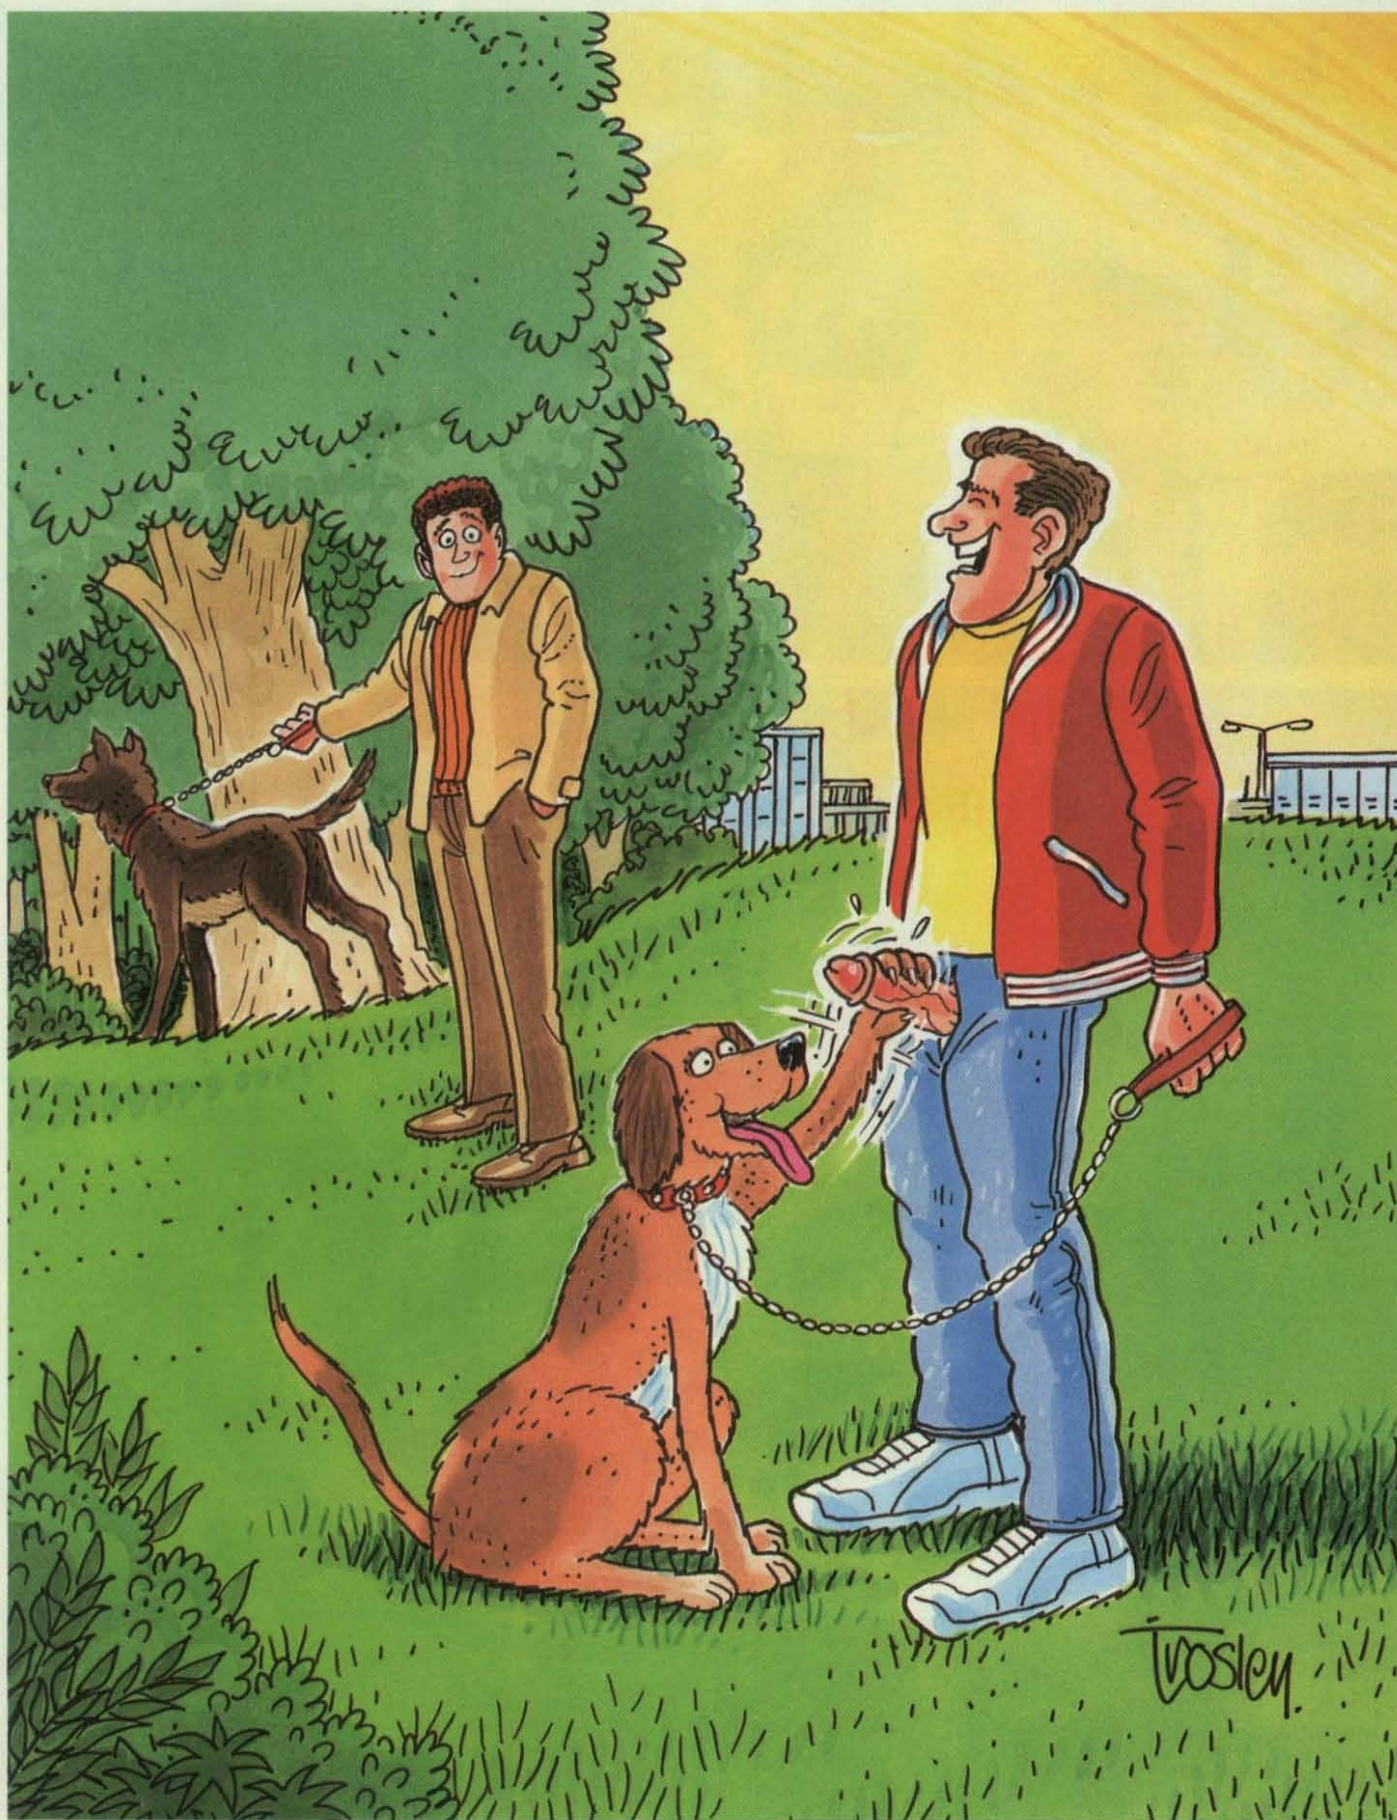

The 24,000 residents of Wenatchee are sharply divided over Perez and his crusade. Some see him as a righteous man uprooting a hidden, festering evil. Others feel Perez is nothing more than a self-promoting bureaucrat who craves the media attention and power he has been afforded as a result of taking on the inquisitor's role.

Pentecostal minister Robert "Roby" Roberson is solidly opposed to Perez's tactics. As minister of the East Wenatchee Pentecostal Church of God House of Prayer, located in the most down-and-out

section of town, Roberson noticed that most of the accused were from his side of the tracks. The minister spoke out in public against Perez's campaign.

Two months later, Roberson was helping to organize a food bank for the poor at his church. What he describes as "a 13-car Swat team" roared into the church's parking lot. Within seconds, Roberson was handcuffed. A search team started ripping his church apart.

Across town, police dragged his wife out of a community-college class. Mr. and Mrs. Roberson spent 135 days in jail before they raised the \$14,500 bail. On his first night in lockdown, Roberson says, he was severely beaten by inmates and guards for being an alleged child molester. Their five-year-old daughter, Rebekah, was put into state custody and placed in a foster home.

Roberson and his wife were both charged with 14 counts of sexual abuse. Perez claimed that his foster daughters had revealed to him that Roberson and his wife were members of the Circle and had raped them and other children during weird rituals inside the church.

The girls testified against the Robersons at the trial, along with another pair of sisters, C. M. and A. M., who, after detailing the grisly scenarios at

gatherings of the Circle, admitted that, just a year earlier, they had falsely accused their own stepfather of sexually abusing them.

The only adult "eyewitness" who testified against the Robersons was a twice-convicted child molester named Gary Filbeck, who corroborated the girls' stories. During one orgy at the Pentecostal church, Filbeck testified, he and Roberson had sex with Perez's 11-year-old foster daughter as the congregation watched. Filbeck told the jury that, as Roberson penetrated the child, the minister incited his flock, crying out, "That's how you get rid of the devil!"

Filbeck's testimony did not come free. In exchange, prosecutors reduced his pending charge of first-degree child molestation to a second-degree assault charge, with a one-year-maximum jail sentence and work release.

Evidently the jury doubted Filbeck's credibility. Following a six-hour deliberation, the jurors found the Robersons not guilty. Rebekah Roberson was returned to her parents after nine and a half months in a foster home.

Most of the Wenatchee townsfolk caught in Perez's dragnet were less fortunate. Of the 28 defendants who were charged with multiple counts of sex

crimes against children, 19 went to prison. The rest were acquitted or had their charges dismissed for lack of evidence.

Most of the defendants came from the same muddy, run-down section of Wenatchee that D. E. and M. E. lived in before the sisters moved in with Perez and his wife. The people accused by the girls were poor and often illiterate. None of the accused with private attorneys were convicted. Defendants who relied on public defenders went to prison.

The first two people M. E. and D. E. accused were their natural parents, Harold and Idela Everett. Harold is illiterate, and Idela, who weighed more than 400 pounds, has an IQ of 45, maintains Roberson.

"The public defender told Harold and Idela to plead 'no contest.' He told them they would only get probation and mandatory counseling, and it would be no big deal," Roberson explains. "Well, Harold got sentenced to 26 and a half years, and Idela got 11 and a half." Both are now serving time.

Including the Everetts, 14 of the 28 Wenatchee defendants plea-bargained and were sentenced to prison time [five others went to trial and were convicted]. Generally, it is difficult for someone who entered a "no contest" plea to get a new trial. A higher court can overturn a wrongful conviction, but coerced plea bargains are a separate matter. In other words, 14 of the Wenatchee 19 may have literally signed their lives away.

In June 1996, M. E., then 13 years old and known as Mellisa Everett, totally recanted her original testimony and denied ever being molested, admitting that Perez and CPS agents had hectored her into fabricating the sex-crime allegations against all the adults, including her parents. "I had to make it all up," she told an Associated Press reporter in a tape-recorded interview. "Perez was there, and he pressured me to say it. First I said it didn't happen, and then he forced me to make up a lie."

The phone interview with the AP reporter was cut short when Wenatchee deputies arrived at Everett's grandmother's house to return the girl to CPS custody. As she was led away, according to eyewitnesses, the girl howled, "I want to stay with my Grandma!"

Since M. E.'s reversal of her accusations, there have been several important developments in Wenatchee.

Roberson and other defendants have filed a class-action suit seeking \$100

Witch-Hunt

The children claimed to have been raped by an evil clown and R2-D2.

Though no physical evidence was presented at trial, the Amiraults ended up spending eight years in prison.

million in damages. That case is expected to reach the trial phase in Seattle, Washington, in March 1998.

In June 1997, Washington state created a watchdog agency called the Office of Family and Children's Ombudsman (OFCO), which immediately launched a full-scale investigation of the Wenatchee case. The OFCO cannot issue binding orders or bring criminal charges, but it does have the power to delve into confidential police and CPS files. The OFCO will report its findings to the governor and state legislature.

Also in June 1997, a Washington state appeals court overturned the conviction of alleged Circle member Linda Joyce Miller, convicted in 1995 on eight counts of sexual abuse and sentenced to 33 years in prison. Miller is the first Wenatchee defendant to be freed by a higher court. Eighteen are still in prison; all but four of them on "no contest" plea agreements.

Unfortunately, Roberson says, even the defendants who were found innocent have had their reputations ruined. "People think, *Where there's smoke, there's fire*; so even though you're acquitted, it doesn't mean you're not guilty. So you go through the rest of your life with that hanging around your neck."

The horror is over for Wenatchee, Washington. The arrests have stopped, and Perez was moved from the sex-crimes division to patrol duty on New Year's Day 1996. However, Wenatchee, formerly known as "America's Apple Capital," will live in infamy as a town of dupes who stood behind a crackpot detective and his foster daughters.

"People have a tendency to want to believe the system," Roberson says. "They are irresponsible. They won't go past the ends of their own nose or outside of their own four walls and see what's really going on. You have the authorities and officials in high places who are chanting this mantra to 'Believe the kids, believe the kids,' and therefore, when these allegations come up, you're dead."

The recent unraveling of the Wenatchee charges has brought needed attention to an expanding and dangerous trend in society. Alan Kors, a professor of history at the University of Pennsylvania, describes it as "sadly reminiscent of Europe's witch craze," in which thousands of innocent people were falsely accused of horrible crimes and burned at the stake. "It's a jurisprudence of leading questions, disregard of evidence and logic, and careerism joined to fanaticism."

A source from the U.S. Justice Department says that starting in the early 1980s, when the issue of child abuse flooded the media consciousness, government and law-enforcement officials began misguided attempts to make up for years of turning a blind eye to tragedy. "It was all a crazy overreaction to years of not doing enough," he says. "And it's not over. While 800,000 people were charged with child-sex abuse in this country last year, only 100,000 of the cases were proven true in a courtroom."

The many false alarms prior to Wenatchee include that of Violet Amirault and her son, who were convicted in 1987 of molesting dozens of children at the Fells Acre Day Care Center that her family operated in a Boston, Massachusetts, suburb. Several children accused the Amiraults of raping and forcing them to watch her torture animals.

The children also claimed to have been raped by an evil clown and R2-D2, the robot from *Star Wars*. Amazingly, though no physical evidence was presented at trial, the Amiraults ended up spending eight years in prison before a federal judge threw out their conviction in August 1995.

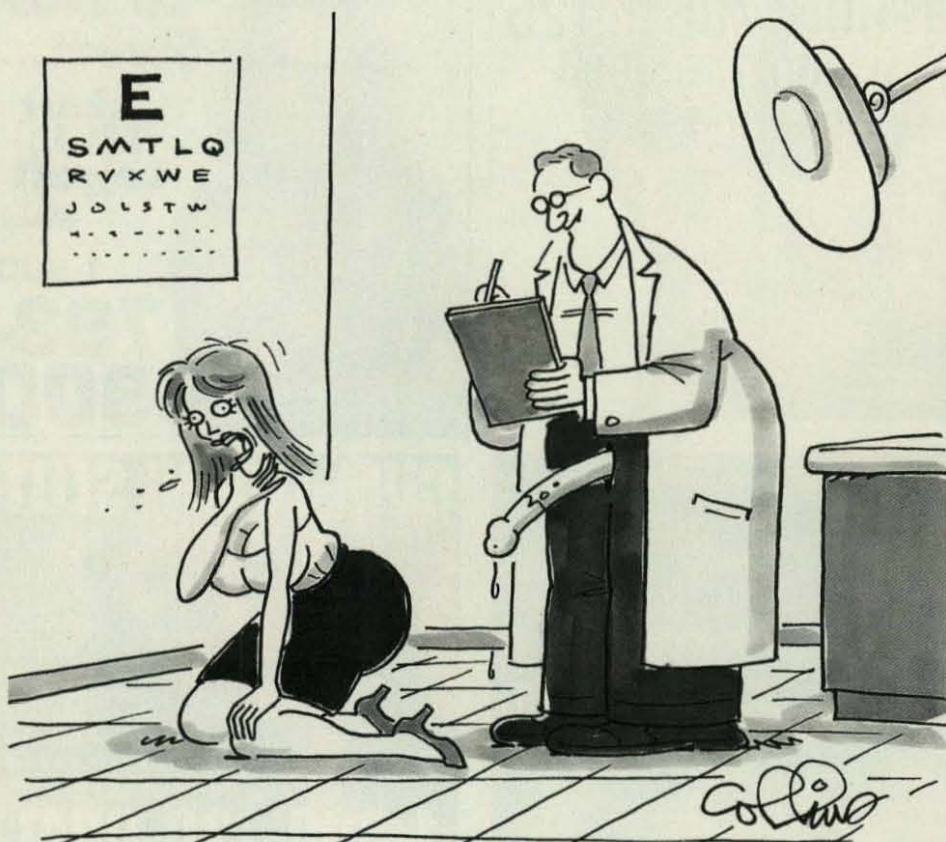

In 1988, former Catholic schoolgirl Margaret Kelly Michaels was convicted on 114 charges of sexually abusing 20 preschool children from ages three to five while she worked at a New Jersey day-care center.

Children testified that Michaels had violated them with kitchen cutlery and Lego blocks. They also said Michaels had licked peanut butter and jelly off their genitals and forced them to watch while she played "Jingle Bells" on the piano with her breasts in the school's music room. One child said Michaels turned her into a mouse.

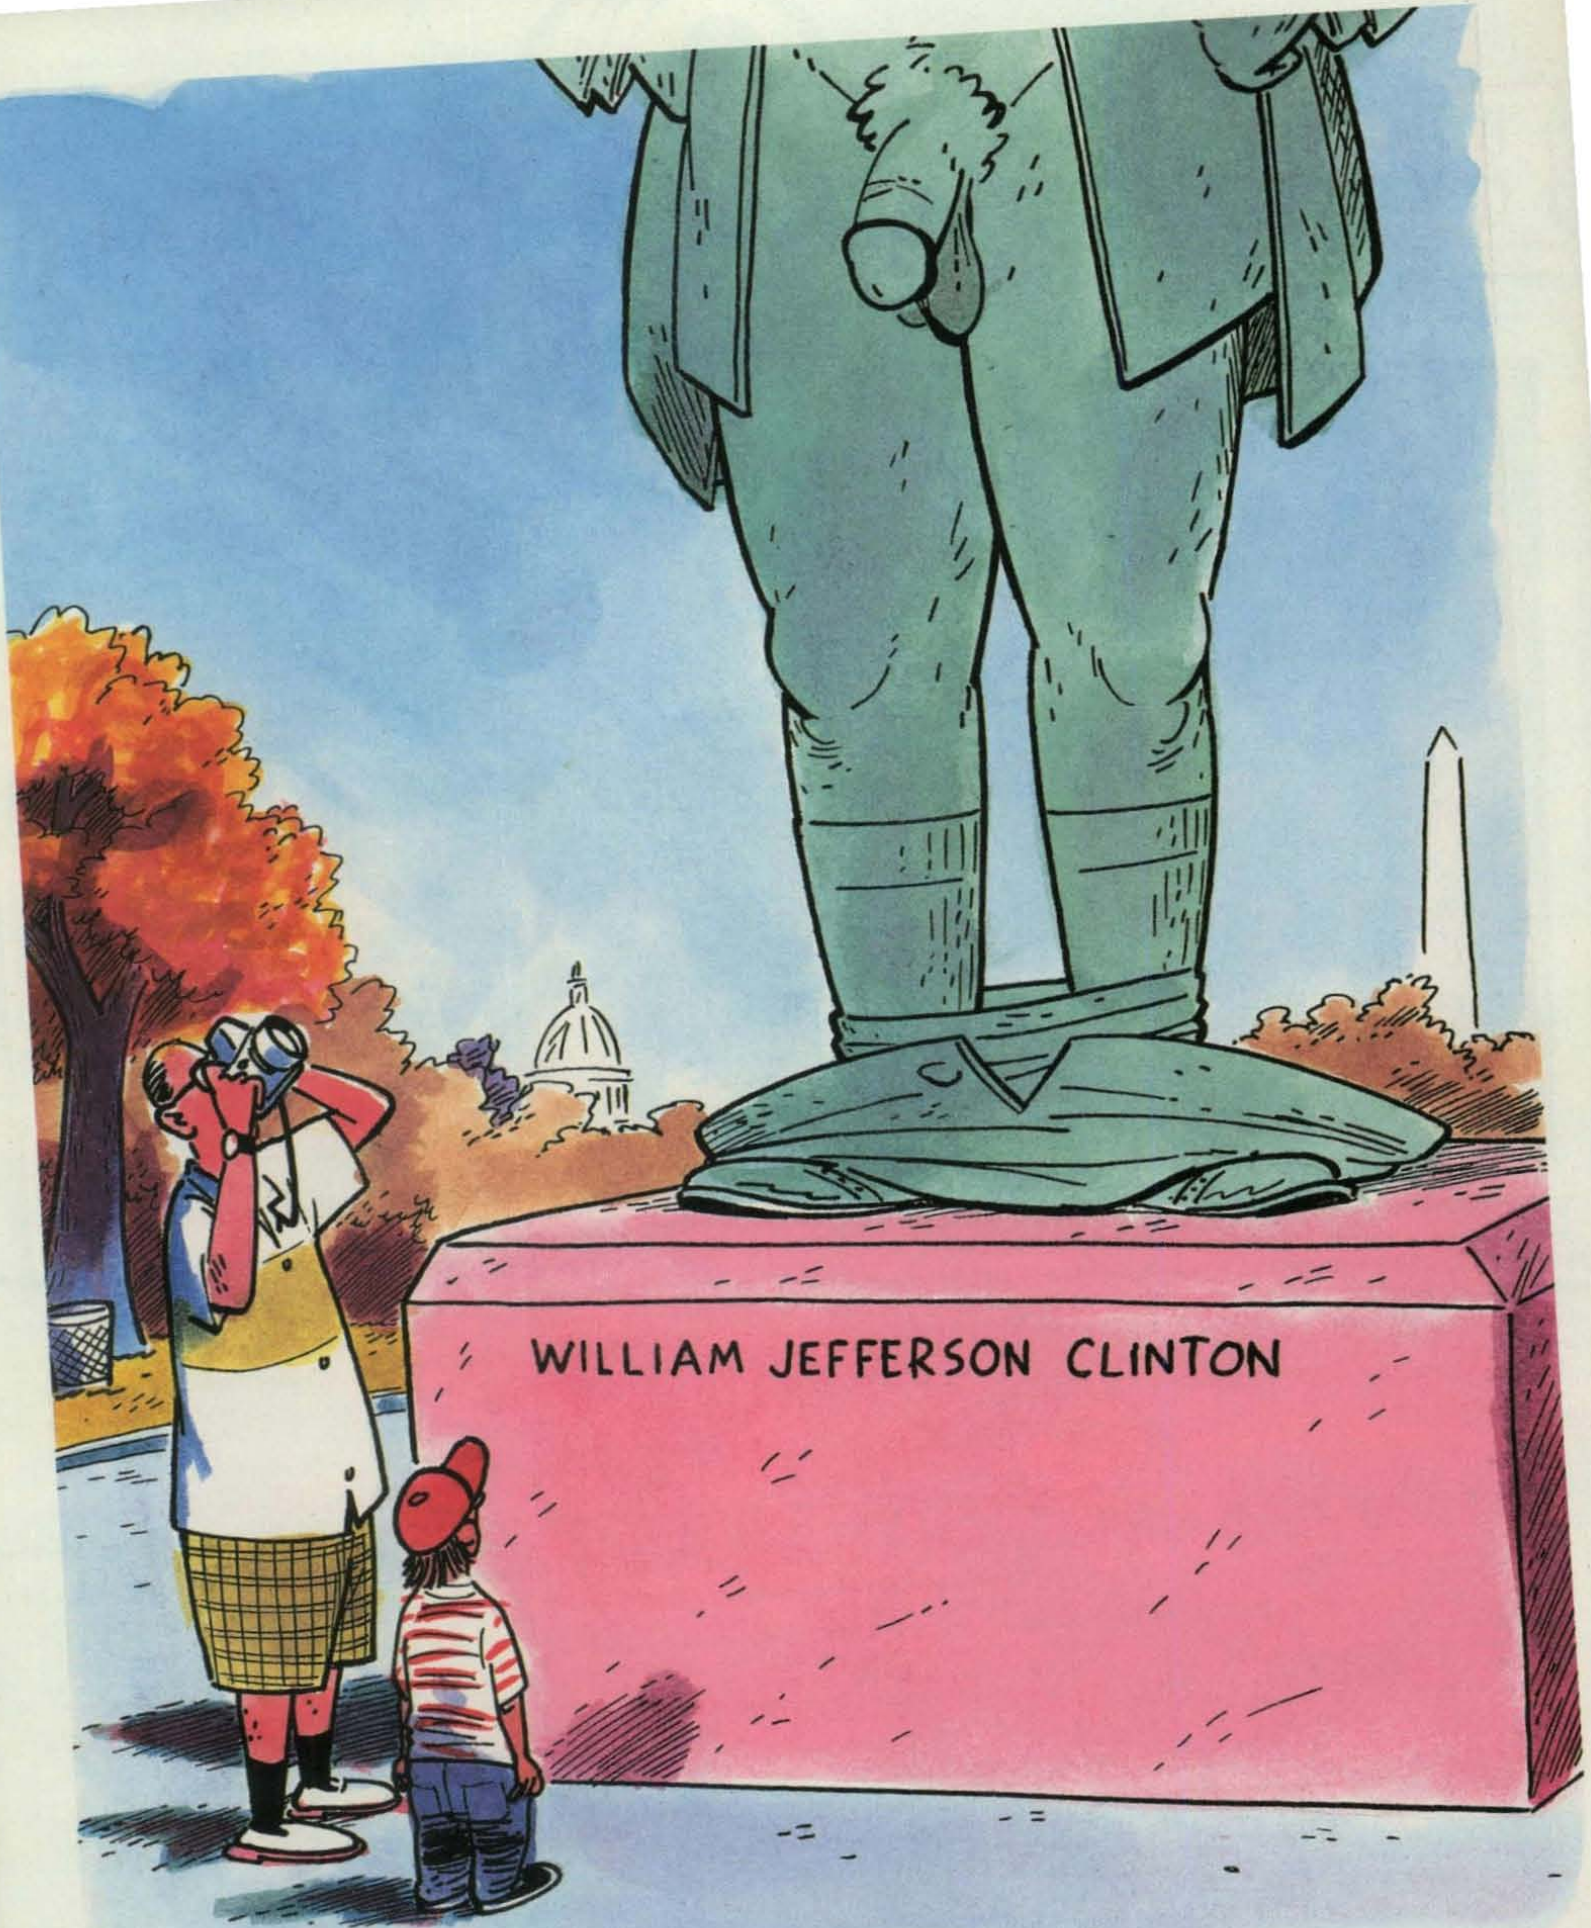

Michaels was sentenced to 47 years in prison and served five of them. An appellate court overturned her conviction in 1993, finally concluding that investigators had pressured children into making false claims of sexual abuse during interview sessions.

In the Wenatchee case, Perez's interrogative style—charitably described as "aggressive"—violated nearly every guideline established by national experts on interviewing child-abuse victims. During questioning, Perez told children what other children were saying, interviewed children together, asked leading questions and also interviewed

Her fantasy is to take on five guys at once, leaving no hole unfilled. Her boyfriend may wish she'd tighten security on that exposed flank.

Photo by Boyfriend

Lexus hails from Winfield, Illinois, where she's employed as a nurse. It should come as no surprise that a woman whose hobbies are "sex, modeling and sex" should have some cool fantasies. Lexus's top turn-on is to fuck two guys while their wives watch and then to get it on with the wives. When it comes to Lexus, there's plenty for everybody.

Photo by Boyfriend

This housewife is Sunny, a 29-year-old from Bad Toelz, Germany. Sunny's hobbies are nude sunbathing, shopping, dancing and writing poetry. Her fantasy is to have a threesome with her husband and another guy who will fuck her husband. Sunny sure brightens up a room.

WOULD YOU LIKE THE SEX POWER OF A BULL?

All over the civilized world the natural substance **TOCOPHERAL** is given to breeding bulls to get quicker repeating erections and stronger orgasms. Scientifically proven: **TOCOPHERAL** given daily increases the **DESIRE** and **ABILITY** to copulate. Not conclusive in humans, but if you'd like to **WANT IT MORE** and **DO IT MORE**, if you'd like a **BIG STIFF ERECTION** that goes the distance and an orgasm that rattles your bones, try it. Safe. FDA approved for human consumption.

Do you envy men who have large penis size, like 8, 9, or even 10 inch erections? Envy no more! **SIZEMASTER** may be for you. Maybe you won't get 9-10 inches, but you'll swell to the maximum possible. Gentle suction massage makes the amazing difference. Compare **SIZEMASTER** to units costing twice as much and more, even \$60 electric models. Yet **SIZEMASTER** is only \$13.95 and has a 30-day money-back guarantee. Amazing offer... amazing product! Won't she be surprised & delighted! Ask your doctor about **SIZEMASTER**. Sold as a novelty only.

NOTICE: The U.S. Post Office, without clinical tests, has forbidden the claiming of **permanent penis enlargement**, and we make no such claim. "A JOURNEY INTO THE BIZARRE"

with **PAUL NORMAN** ... the master of the unusual!

We bring you a collection of eleven adventures in erotica that are unlike any you've ever seen - we guarantee it! PAUL NORMAN, "The Master of the Unusual" goes where few producers dare to tread in the production of his sex films, stopping at nothing to bring you the most visually shocking sex encounters ever filmed - XXX hardcore that appeals to every taste - every kink! Not content with the normal big-dick studs and porno starlets, he has sought out, discovered, and brought to the screen true hermaphrodites (people who possess a penis and vagina); Siamese twins who perform sex on camera; bisexual nymphs and satyrs who will do anything to get off; and much, much more! NOW - by special arrangement with Mr. Norman, we offer you this showcase collection of his best works. Obviously, his films bring top dollar when sold individually, but during this limited special offer, you can acquire these classics at a price that makes them an unbelievable bargain!

- PN-1 "BI & BEYOND" (Hermaphrodite with a woman) - The film that set the sex world on its ear! Deliah, the stunning brunette hermaphrodite with a gorgeous woman's body and pulsing 10 1/2" cock, makes her film debut, licking, sucking and fucking a blonde woman in every way imaginable!
- PN-2 "PASSION BY FIRE" - A bisexual female and bisexual male join forces and cruise pick-up bars in search of sex partners to quench their insatiable appetites for cum! 3-way fuck where no hole is left unfilled!
- PN-4 "BI & BEYOND 2" (Hermaphrodite with a man & woman) - A horse-hung hermaphrodite easily satisfies a man and a bi-guy as she uses her awesome sexual equipment in a 3-way fuck fest such as you've never seen before!
- PN-5 "JOINED" (Siamese twins with a man) - Perhaps Paul Norman's most incredible discovery of all - gorgeous young Siamese twins joined at the hip, who catch a peeping tom and grant his fondest wish - to have sex with them! A must see, alone worth the price of the entire collection!
- PN-6 "INNOCENCE LOST" - Two lesbians decide to try cock for the first time, and introduce their neighbor to new thrills as they penetrate his virgin anus with their dildoes & lesbian sex toys!
- PN-7 "BI & BEYOND 3" (A hermaphrodite with a man) - A gorgeous blonde with a dripping pink pussy and throbbing 9" cock auditions for a film role. The producer (who's bi) has his hands full (and his manhole) when this unique, oversexed creature gives him an updated lesson in male & female anatomy!
- PN-8 "HEATWAVE" (Interracial bisexuality) - The black bisexual crew of a yacht "drops anchor" in the hot mouths and hungry pussies of their cock-starved bisexual blonde passengers. A "salt & pepper" suck & fuck fest ensues all over the boat!
- PN-9 "SEPARATED" (Siamese twins with two men) - The stunning Siamese twins yield their mouths and cunts to the throbbing cocks of two studs as they have their first 4-way group sex experience. An eye-popping, cum-spurting orgy of double fucking and sucking!
- PN-10 "BI & BEYOND 4" (Super-hung black hermaphrodite with a man) - "Herculina," the incredible black hermaphrodite with a 12 inch penis, teaches a "white boy" about "long-dicking" as he has his first encounter with nature's "ultimate sexual partner," the hermaphrodite!
- PN-11 "OFFERING" - Imagine what happens when 8 multi-organic male & female bisexuals get together for an "orgy to end all orgies." It's all here - hot, wet, and up-close, as Paul Norman's camera record the most cum-saturated sexual encounter ever filmed!

ENLARGE YOUR PENIS TO ITS MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

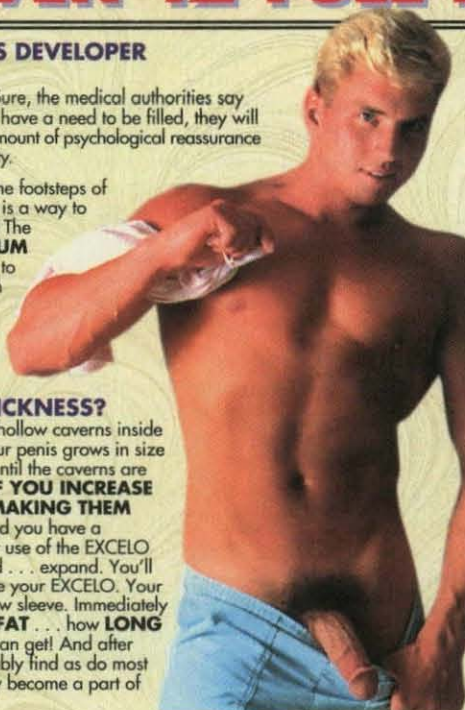

THE EXCELO IS THE ONLY PENIS DEVELOPER YOU WILL EVER NEED!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count; but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of thousands of men who have proven that there is a way to **INCREASE PENIS SIZE and THICKNESS!** The device is called the **EXCELO ELECTRIC VACUUM ENLARGER**. A safe and proven natural way to add inches to penis length and thickness. With the EXCELO, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE EXCELO ELECTRIC VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. **BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD** and you have a correspondingly longer, thicker penis. Regular use of the EXCELO gently urges the caverns to expand... expand... expand. You'll see the astonishing results the first time you use your EXCELO. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really **BIG**... how really **FAT**... how **LONG**... how **HARD** and **STIFF** your own penis can get! And after regular sessions with the EXCELO you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

THE EXCELO IS SIMPLY THE MOST POWERFUL ENLARGEMENT SYSTEM YOU CAN PURCHASE ANYWHERE! AT ANY PRICE!

This powerful, totally electric unit (U.L. approved) is equipped to plug into any wall outlet to give you continuous, even sucking power until you shut it off! Unlike noisy electric vacuum enlargers costing upwards of \$100 - the EXCELO is "quiet as a whisper." This sophisticated instrument is by far the state of the art in penis enhancing machinery. It has taken time, money and first-class engineering to produce what many have called the "Rolls Royce" of vacuum enlargers. And, of course there are two other models available - to fit any budget. The EXCELO is a finely crafted precision instrument designed to create the vacuum needed to make the male organ **LONGER** and **THICKER**. If you are truly serious about penis enlargement - the EXCELO will do the job for you!

THE ONLY SYSTEM THAT OFFERS AN EASY "HOW-TO" BOOK FOR THE MOST COMPREHENSIVE INSTRUCTION POSSIBLE!

Other so called enlargement systems might offer a shoddy, pieced-together hodge-podge book to show the product in action. **NOT OUR SYSTEM.** Our book was produced by the manufacturer of the pump, designed to get you **BIG** and **HARD** in the shortest time possible!

ALL THIS... WHAT MORE COULD YOU ASK FOR? HOW ABOUT A PRICE THAT IS POSITIVELY UNBEATABLE?

First of all, if you could even find a system that offers you all the EXCELO System does, you'd easily be prepared to pay hundreds of dollars for it. That's why our system is a truly unbelievable bargain at the prices offered.

"I asked her, 'Why would you accuse these people of doing this to you if you know it's not true?' She looked up, smiled and said, 'To get my way.'"

children multiple times in marathon three-hour sessions.

Perez never videotaped or recorded the interviews. To verify their accuracy, he provided only incomplete, hand-written notes.

Elizabeth Loftus, a psychologist and child-abuse expert at the University of Washington in Seattle, says that Perez's M.O. is a common practice. "The police often don't videotape the interviews so they can't be caught doing what they know they shouldn't be doing."

Several of the Wenatchee kids who eventually testified against their parents were sent to a locked mental hospital in Coeur d'Alene, Idaho, when at first they refused to testify. Some of the children were given psychotropic drugs as part of their "therapy." One of the Wenatchee trials revealed that Perez had wrestled M. E. to the ground and sat on her for a few hours before she testified, badly bruising the girl's arm. The girl explained she had been punished because, "I was acting like a butt."

"Hey, I can sit on a 12-year-old and coerce her into testifying in a couple of hours too," says a Justice Department attorney.

Legal guidelines for interviewing children in sex-abuse investigations

strictly outlawed the use of rewards and scolding following the 1984 case of Reverend Nathaniel T. Grady, a Methodist pastor convicted of raping five preschoolers in a church day-care center. Prosecutors and police interviewed the children multiple times until they "uncovered the truth," often rewarding the children with candy and "horsey rides" for correct answers. Last June, a U.S. District Court judge nullified Grady's conviction.

Elizabeth Loftus, who is also a member of the Professional and Scientific Advisory Board of the False Memory Syndrome Foundation, says that using similar interrogation methods in a laboratory setting, she has successfully planted false memories in many children.

During one experiment, she manipulated subjects aged three to eight into believing they had been lost, frightened and crying in a shopping mall. After several sessions, the children could repeat the same story with conviction, even though it had never happened. "If you phrase the questions in a suggestive way, kids will start to agree with your suggested scenarios even in the first interview," Loftus says. "It might be more difficult to instill a memory of

sexual abuse than ones we've planted, but I know it can be done. Even though the planting of sexual-abuse memories hasn't been done experimentally for ethical reasons, it's being done routinely over and over in psychotherapy sessions and in other settings."

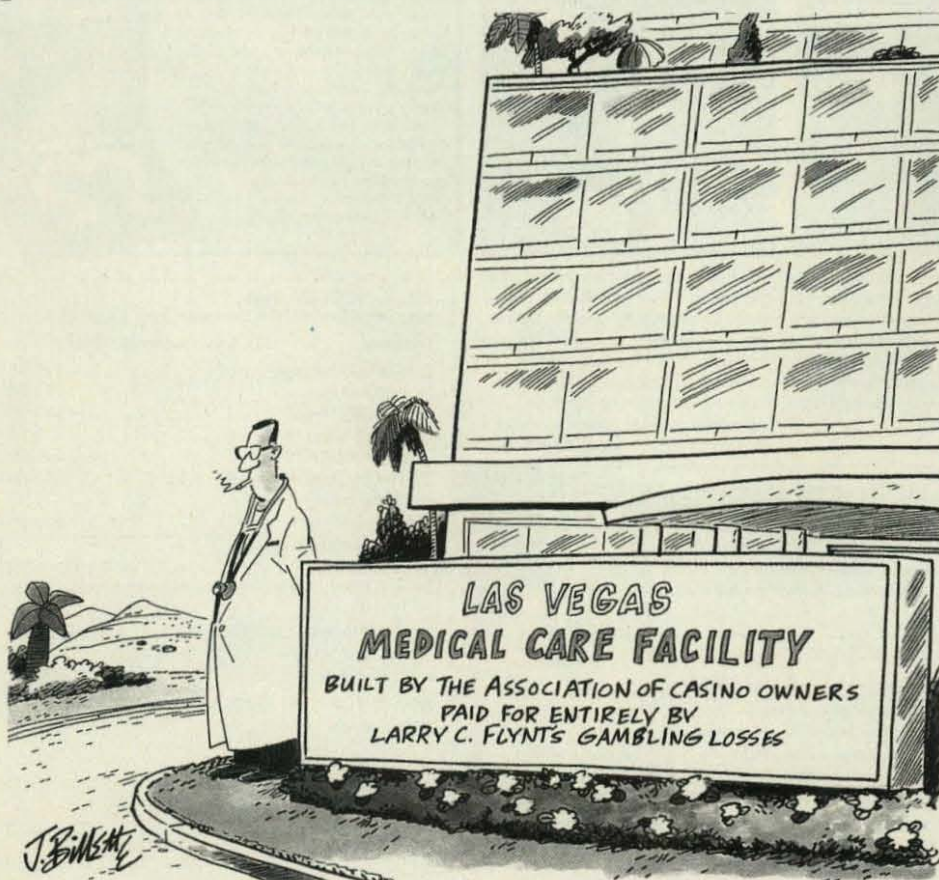

Fifty children of Wenatchee remain separated from their parents, and one of the kids committed suicide last year. Not all of them qualify as unwitting victims of mass hysteria. Robert Van Siclen is a Seattle criminal-defense attorney who represented several of the Wenatchee defendants, including the Robersons and Honah Simms, a Sunday-school teacher charged with raping children in Roberson's church. During Simms's trial, Van Siclen confronted a girl identified as A. F. who had joined D. E. and M. E.'s chorus of wild allegations.

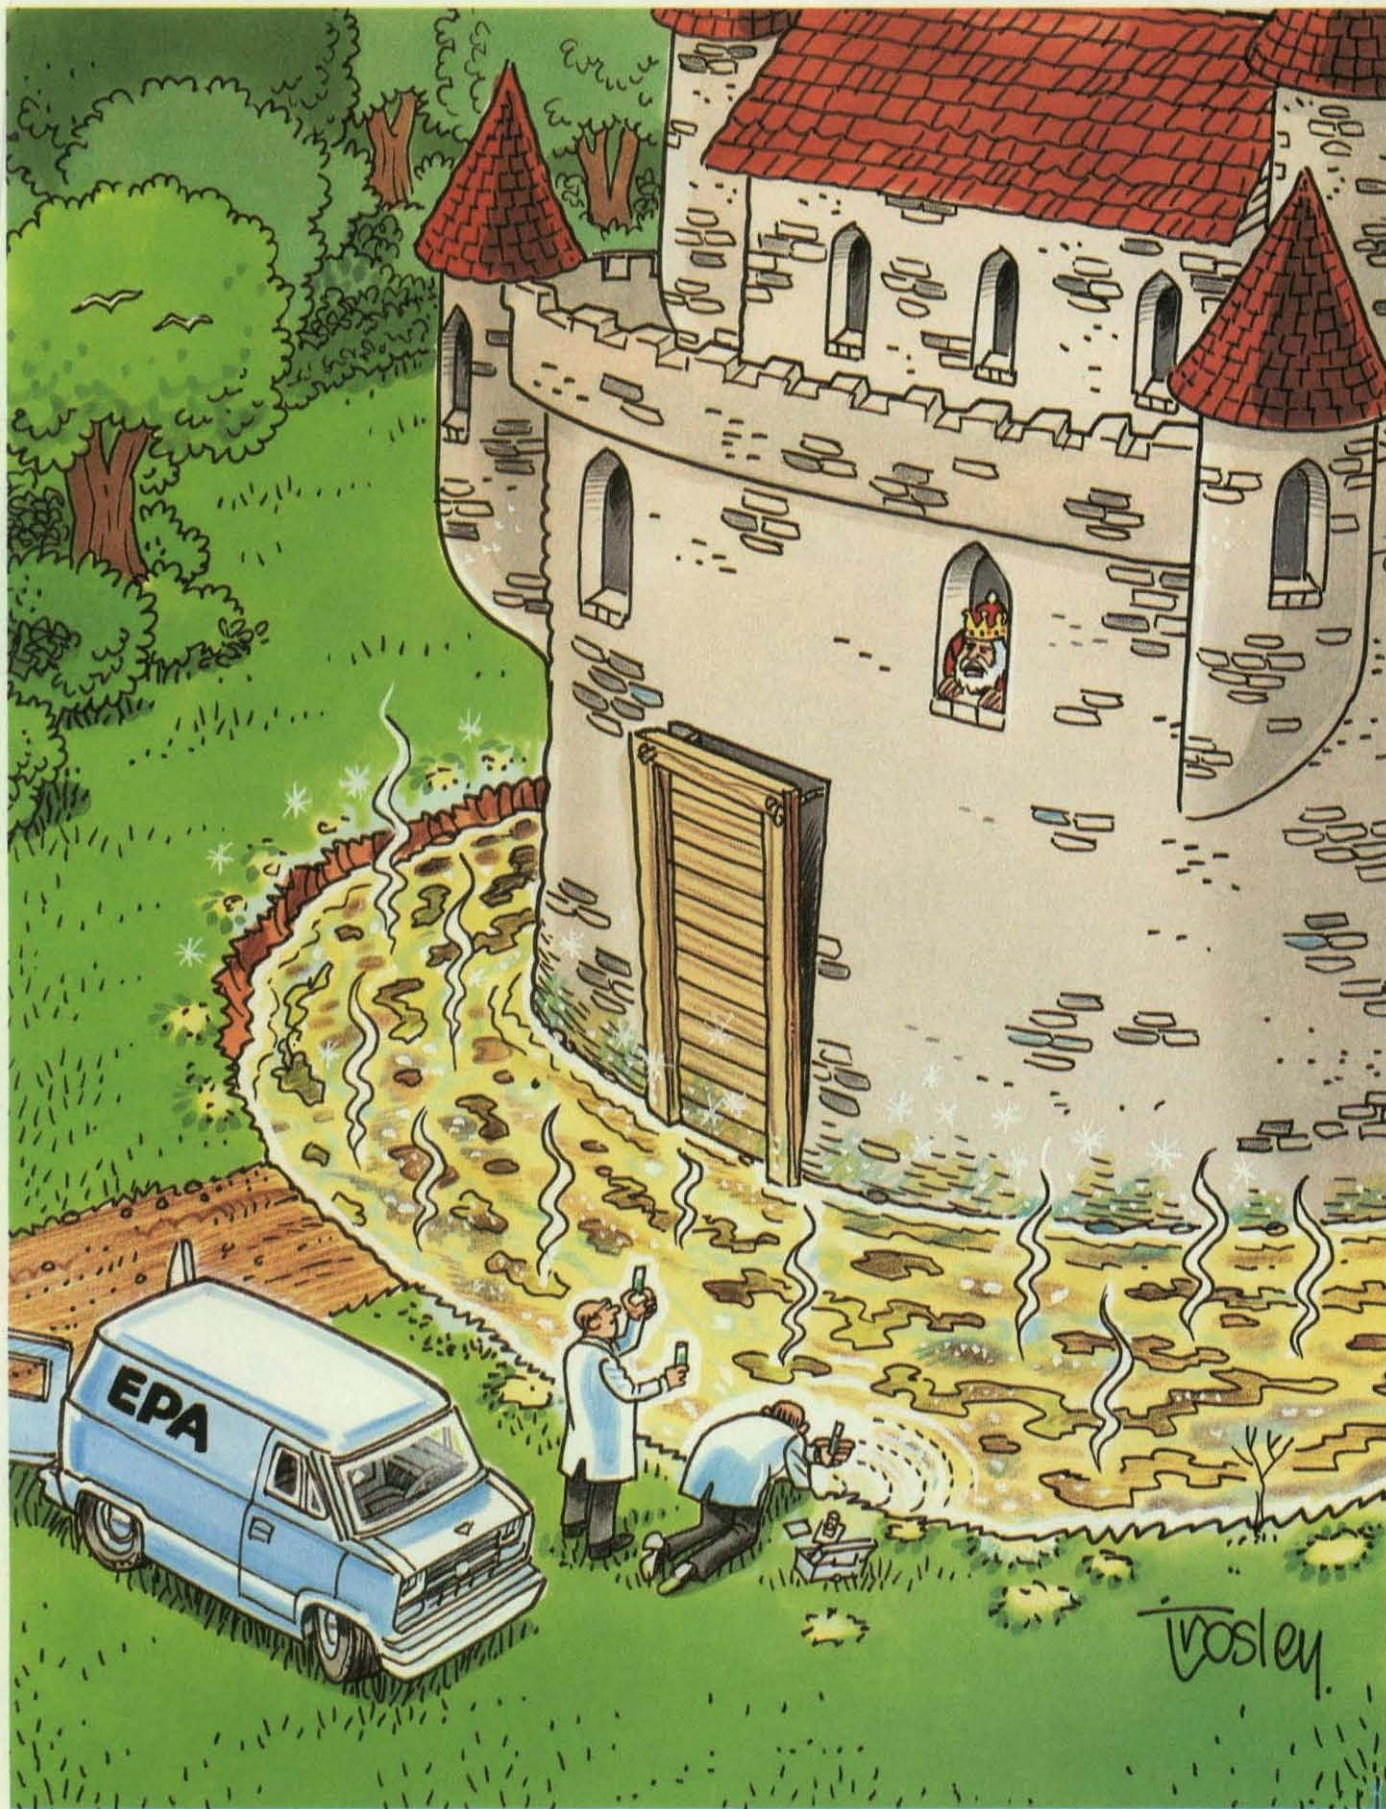

"In the presence of the prosecuting attorney, three CPS workers, a police officer and the girl's foster mother, I asked her, 'Why would you accuse these people of doing this to you if you know it's not true?' She looked up, smiled and said, 'To get my way.' When I left the room, I went right to the prosecuting attorney and said, 'There is no way in hell you can possibly continue to charge my client, Honah Simms, with raping and abusing A. F. with this statement.' All the prosecutor did was smile."

Simms was acquitted. But child psychology and law-enforcement experts fear that, unless strict guidelines for interviewing child-sex-abuse victims are implemented and enforced, the Wenatchee travesty will be repeated.

"There will not be any federal interview guidelines because this is a state issue. And the states are very reluctant to act on this," says the Justice Department source. "The social workers are locked against any changes. They like it the way it is. They get total immunity, they can ruin families and basically do whatever they want. The real tragedy of this is that it takes away from true accusations."

Another horrifying reality is the growing number of falsely accused and imprisoned. "There are probably thousands of cases like Wenatchee. I've been to prisons and visited people accused of such crimes, and I believe many of them are innocent. Amnesty International does the glamorous cases in Europe and South Africa, but no one wants to take on these cases. There's a hidden war going on in this country no one knows about. A lot of people are being falsely accused."

"Of course it's full of toxic wastes and has a very high fecal content.... I want it that way!"

Cathy

PHOTOGRAPHY BY JOANIE ALLUM

"After a good fucking, I find it impossible to get out of bed," says Cathy, "morning, night or afternoon."

"I start most of my screwing on Friday and Saturday nights so I can stay pinned to the mattress all the next day."

"I don't get much rest though."

"'Come on, Cathy, suck it one more time.' That's what they all say."

Cathy's lips curl in a sensuous smile. "Once they feel how much I love the taste of cum, I never get any rest at all."

I AM OVER 19 YEARS OLD AND REQUEST THIS MATERIAL

DR. BROSS PENIS ENLARGEMENT

*You can have a longer,
thicker, harder penis now!*

Our customers tell us 9 inches...10 inches...
even a BIG 12 inches is possible!

**You can have a powerful erection and stay
hard as long as you wish!**

My name is Dr. Bross and I want you to know that the
Penis Vacuum Pump is an effective method for penis
enlargement. It is also becoming the #1 medical treatment
for impotence and premature ejaculation and to increase
sex drive and sexual performance.

• The small flaccid penis before
using the Penis Pump.

• Pumping up with the world's
largest selling Penis Pump.

• After using the Penis Pump a
harder and much longer penis.

• After using the Penis Pump
even without an erection the
penis "hangs" thicker and longer.

**Why my Complete Penis Enlargement System will
work for you where others fail.**

I have included in my system an easy to follow step-
by-step instructional video and magazine and the
worlds largest selling penis vacuum pumps used
successfully for 25 years and with over 10 million
satisfied customers.

You will see how other men succeed and reach
mammoth proportions. By following the instructions
and demonstrations you can also be successful with
our Penis Enlargement Pumps.
Pumps sold by mail order dealers used for masturbation
(squeeze bulb pumps, pumps requiring erection rings,
massage pumps with vibrating electric motors) **do not**
create enough vacuum to enlarge your penis

**To be successful you need our "made in the
U.S.A." power pumps with the extra long 10 inch
piston assembly that creates more vacuum than any
pump available at any
price.**

Deluxe Stroker Penis Pump \$24.95

Super Power Trigger Pump \$39.95

Important- We offer the
Stroker and Power
Trigger Pump that helps
you maintain an erection
without using a prolong
or erection ring.

Do not accept any
substitutes from mail
order dealers at any price.
This is the original
**Dr. Bross Complete
Penis Enlargement
System.**

You can order with your
Visa, Mastercard and
American Express credit
card. Phone in your order
toll free or fax your order
for immediate delivery.

This is why your penis can be enlarged.

Approximately 2/3 of your penis is made up of muscle
tissue called corpus cavernosum and that tissue can
expand. Penis Enlargement uses a process called
hypermatiation. Blood rushes into the muscle tissue causing
the penis to expand to your maximum potential.

What my Penis Vacuum System can do for you.

1. Increase penis length and thickness.
2. Stimulate a harder and more powerful erection.
3. Exclusive design helps maintain your erection for as
long as you wish without an erection or prolong ring.
4. Increase confidence, sex drive and sexual performance.
5. Intensify your orgasm.

How to order my Complete Penis Enlargement System

The same type of pumps prescribed by doctors can sell
for up to \$500.00. I have made special arrangements for
you to buy my system direct from the manufacturer at a
tremendous savings and a prescription is not required.

HUSTLER®

RENEWED NUDES

January's HUSTLER makes good on our eternal resolution to keep bringing you the best femmes fit for film. Start off the new year by shooting a champagne splooge to our cock-hungry crew of sweetmeats. A lovely castaway brunette with a treasured chest discovers her own little booty while stranded desperately on a tropical desert isle. A swarthy, ebony princess learns a lesson in shoe shining from a most unlikely candidate whose unconventional approach to spit polishing leaves both parties dripping with embarrassment. A tiger-skin-shedding hottie demonstrates her feral mounting position with the enthusiasm of a feline deep in the throws of estrus, and a budding blond beauty finds herself all dressed up with nothing to wear. From the rich looks of these lovelies, 1998 will be a prosperous year for pussy.

PINK PARADE

Unfortunately, some things are not always as they seem, and what seems like a tight-twated fuck machine could actually be the owner of an uncircumcised jizz missile. January's *Sex Play* takes a look at the queens of the highway in "Drag Is Racing Across America: Cross-Dressing Crashes the Mainstream." HUSTLER correspondent and unabashed penis owner Christopher Seymour assesses the damage and disturbing trickery of phallic femmes on their own turf. We also bring you the long overdue Q&A between David Feller and country star Buck Owens in *A Few Discouraging Words With a Country Crooner*.

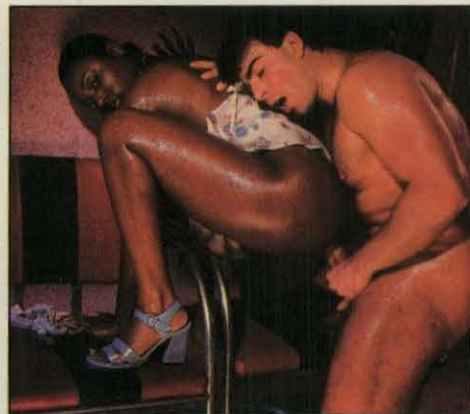

A TOAST TO TRASH

Getting there is half the fun, especially when you're going to a Tijuana donkey show in hopes of seeing a sensuous senorita squeeze the member of a hoofed beast into her tainted innards. Articles Editor Aaron Haberman makes a complete ass of himself south of the border in search of donkey dick in *Donkey Schlong or Donkey Schlock: Is the Donkey Show a Chocolate Cow?* Saddle up for a ride on the sleazy slide of Mexican folklore.

COOCHIE COUNTDOWN

Win big prizes in *Bits & Pieces* by matching mugs to muffs. Attach photographs of seven vaginas to the faces that own them and snare a subscription to America's Best. *Erotic Entertainment* reviews the high-budget sci-fi sex thriller *Wicked Weapon* as well as a few films that a discerning masturbator might be tempted to sit down and watch. And Beaver-hunting season opens for another year. Be sure to see if your pubic trophy made the cut or got cut loose. Anything less from your friends at HUSTLER would be like tits on a bull.... Tits on a bull? Could we have that in time for the February issue?
